He **sails** on the sea. He's a **sailor**.

'Say cheese!'

# Attack of the Killer Whale!

## CHAPTER ONE In the Arctic

'Geronimo Stilton!' said Captain Ingram. 'We're happy that you're here in the Arctic!'

'Thank you, Captain!' said Geronimo.

'Ramone!' shouted Captain Ingram. 'Take Geronimo and his family to their rooms!'

'Can I have a room next to the kitchen, please?' asked Trap. 'I'm always hungry!'

'No, you can't,' said Ramone. 'These are your rooms.'

Ramone opened a door.

'Our room's very small,' said Geronimo.

'Yes, and very dark,' said Benjamin.

Next morning, Trap waited for Thea in a small boat.

'Where are we going?' asked Trap.

'To see the icebergs,' said Thea.

'Great! I can take some photos,' said Trap.

'Let's go!' said Thea.

## CHAPTER TWO

### The killer whale

Geronimo and Benjamin stayed on the boat.

'The icebergs are beautiful,' said Geronimo.

BOOM! CRASH! Something jumped out of the sea and attacked the boat.

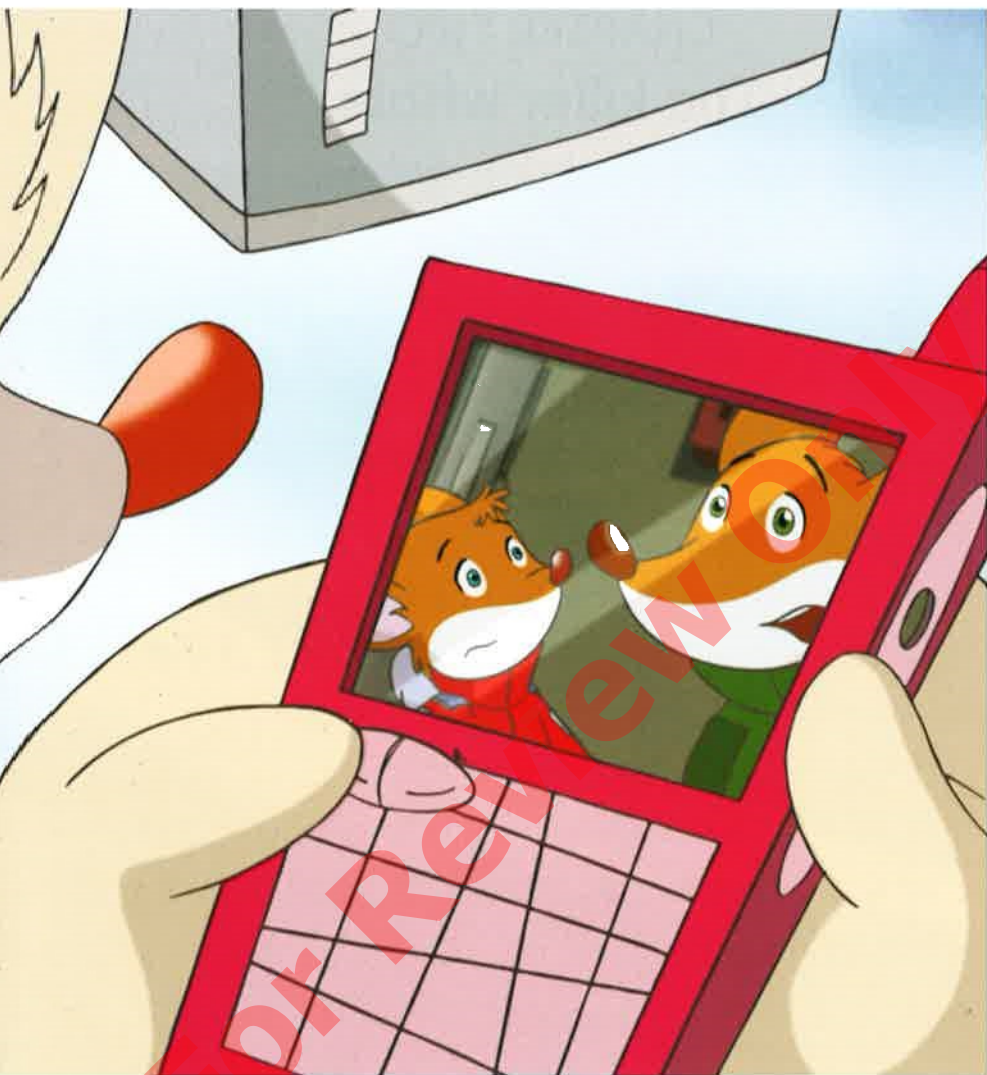

'What's that?' asked Benjamin.

'Wow! It's a killer whale!' said Geronimo.

'Why is it attacking the boat?' asked Benjamin.

'I don't know!' answered Geronimo.

Benjamin and Geronimo phoned Thea.  
'Stay on the iceberg!' said Benjamin.  
'Why?' asked Thea.  
'There's a killer whale here and it's very angry!'  
said Geronimo.

The killer whale attacked the boat again.

'Quick!' said Captain Ingram. 'Let's sail behind those icebergs.'

'The killer whale can't find us here!' laughed the sailors.
