# MEET THE CHARACTERS

I'm Chaz.  
I love cooking,  
though not  
everyone loves  
my dishes!

For teachers' inspection ONLY

I'm Toby,  
Chaz's official  
food taster.  
Unfortunately  
for me ...

I'm Toby's  
mum. Life is  
never boring  
when Chaz  
comes around.

# CHAPTER 1

## Boring Salad Sandwiches

Chaz turned up his nose. ‘A salad sandwich? Salad sandwiches are so boring! Don’t you have anything else?’

Toby shook his head. ‘Mum said to have salad sandwiches.’

‘Or we could walk down to the shops and get some souvlakis,’ Chaz suggested.

Toby looked out the window. ‘It’s pouring with rain,’ he said.

Chaz sighed. ‘Fine, we’ll make boring old sandwiches. Is this the bread we’re using? It’s wholemeal.’

For teachers' inspection ONLY

‘Mum says wholemeal bread is better for you,’ Toby said. He opened the fridge and looked inside. ‘Lettuce, tomatoes and cucumber.’

He put them on the bench beside the bread. ‘Is that all we need?’

‘How about butter? How about cheese?’

‘Good idea,’ said Toby.

He took out the butter and the cheese and put them on the bench with the other things. ‘Is that everything?’

‘How about mayonnaise?’ said Chaz. ‘You can’t have a salad sandwich without mayo.’

‘I don’t think we have any,’ said Toby.

‘Let me have a look.’ Chaz opened the fridge door and peered inside.

First he looked on the top shelf.

For teachers' inspection ONLY

No mayo.

Then he looked on the middle shelf.

No mayo.

He looked on the bottom shelf, and on the little shelves in the door.

No mayo anywhere.

‘Nope, there’s no mayonnaise,’ he said.

‘I told you,’ said Toby. ‘I guess we’ll just have to do without.’

‘No! No, that’s not good enough!’ Chaz said. ‘You *can’t* have a salad sandwich without mayo! You just can’t! It’ll be *too* boring. We should walk down to Mr Santo’s shop and buy some.’
