Grow, flowers!

Grow, trees!

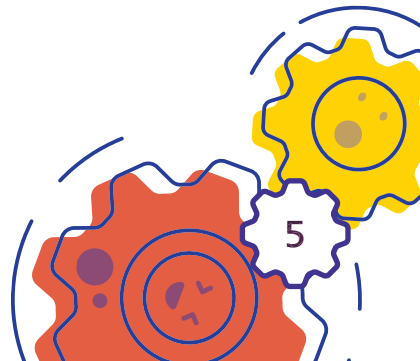

Shower, sun!

Shower, rain!

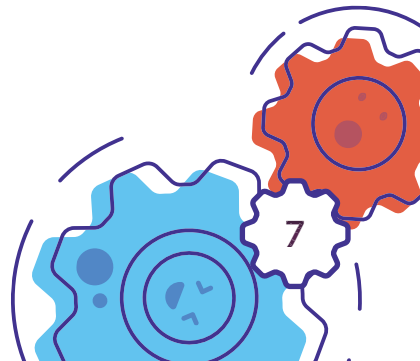

Shine, rocks!

Shine, water!

STEAM CHALLENGE

The Problem

How can you bring more birds to your garden? A birdhouse and feeder can help.

The Goals

- Make a birdhouse and feeder.
- A bird should be able to get inside it.
- It should hang outdoors.

Research and Brainstorm

Learn about gardens.

Design and Build

Draw your plan. Build your birdhouse and feeder!

Test and Improve

Test the birdhouse and feeder. Then, try to make it better.
