

CultureView

Key features

- ✓ Videos cover topics and language that will complement any secondary course
- ✓ Ideal for mixed-ability classes as each video has two worksheet options: High and Standard
- ✓ Authentic language and cultural information about Britain
- ✓ Documentary and drama videos can be played with or without subtitles
- ✓ Photocopiable lesson worksheets include role-plays, research and project work
- ✓ Before, While and After watching activities

CultureView is a teacher's resource offering a window into contemporary culture and life in Britain with engaging videos for the teenage student. The material consists of two **DVD Packs**, each containing 12 videos, with a documentary and a drama sketch for each topic.

Each **DVD pack** covers six different topic areas:

- DVD Pack 1: Home, Transport, Food, Appearance, Sport, School
- DVD Pack 2: Music, Landscape, Media, Animals, Literature, Language

The accompanying **CD-ROM** provides graded photocopiable worksheets at two levels, teacher's notes and DVD scripts.

For more information and to **download samples**, visit <http://www.macmillanenglish.com/courses/Culture-View/>
