Toothache

Mr Bean and Teddy were at home.
Mr Bean loved watching TV ...

And he loved popcorn.

Next morning, Mr Bean was in his kitchen.

Mr Bean looked for some ice.

I want some ice!

That night, Mr Bean was in bed. It was very hot.

Where's the ice?
And ... what's that?

Ow! My tooth hurts!
I can't sleep!

Next day, Mr Bean had some breakfast.

OWWWWWWWWWWW!

Mr Bean put a string round his tooth.

Oh no! I can't do it!

Let's see!

Three ... two ...
one ... *NOW!*

But the tooth did not come out.

But Mr Bean was not very strong.

Mr Bean put the drawers on the airbeds.
