More! More! More!

Level 13 Running Words **216**

Key High-frequency Words

catch, more, ready, right, them, under, were

Key Teaching Points

- Talk about the demands placed upon pelican parents by their very hungry chicks.
- Discuss the strategies pelicans use to catch large quantities of fish.

Key Questions

- Why did Mother Pelican have to run for a long time before take-off? ***(Literal)***
- Why does the story end with the words *At last!*? ***(Inferential)***

Word Study

- Find words with the digraph *ch* in initial and final positions: *chicks, catch.* Make a list of other words that begin or end with another digraph.
- Find words ending with *-er*: *water, under, bigger.*

Mother Pelican

had a very big bill.

Her bill was her fishing net.

Father Pelican had a big bill, too.

The pelicans
had two very hungry chicks.

"More!" said the chicks,
all day long.
"More … more … more!"

Mother Pelican
flew away with her friends
to find more fish.

They flew to a lake.

They saw some fish
swimming in the water.
