Key High-frequency Words

called, move, moving, someone, taken, taking, them

Key Teaching Points

- Build confidence in the use of the contents and glossary.
- Explain that videos are moving images.
- Ensure students understand that a slide show is a set of photos on a computer.

Key Questions

- Why can some cameras fit into little bags? ***(Inferential)***
- Why do some people make slide shows with their photos? ***(Inferential)***

Word Study

- Locate the word *photos*. Discuss the sound made by the digraph *ph*. Notice the same digraph sound in these words: *telephone, photograph*.
- Find prepositional phrases, e.g. *on a camera, in a photo book*.
