Roads

Levels 14/15

Running Words **174**

Curriculum Areas **Social Studies; Technology**

Text Type **Information Report**

Focus **Travel and Transport**

Key High-frequency Words

drive, much, need, small, sometimes, these, when

Key Teaching Points

- Read the title. Discuss the cover photograph and introduce key interest words.
- Explain the meaning of new vocabulary, e.g. *gravel* is sand with small stones in it.
- Discuss the responsibilities of drivers and pedestrians if everyone is to stay safe on roads.

Key Questions

- Why does the traffic have to move slowly sometimes? *(Inferential)*
- What causes cracks to appear in some roads? *(Inferential)*

Word Study

- Discuss the final letter sounds in these words: *crack, crab, crash; dig, did, dish.*
- Discuss these plurals: *buses, brushes, dishes, lunches.*

Moving Around on Roads

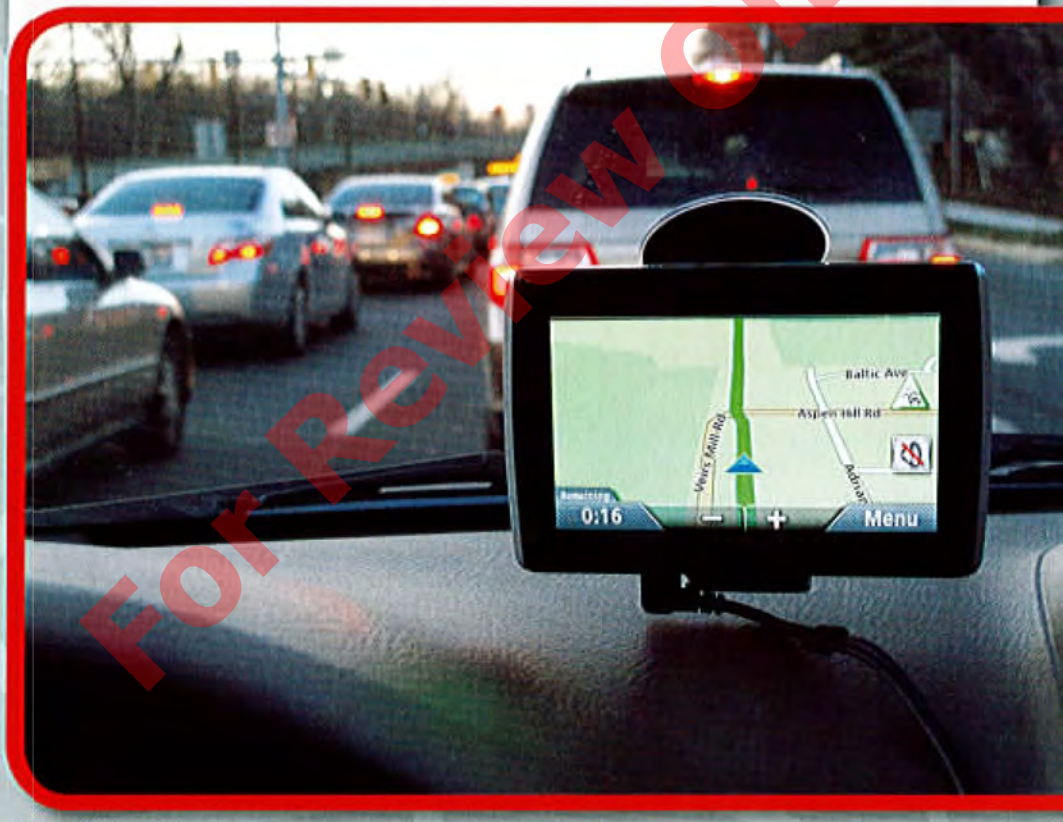

People can move from place to place on roads.

Cars, buses and trucks go on roads.
Bikes can go on roads, too.

Preview Only

Sometimes,
people need road maps
to find their way around.

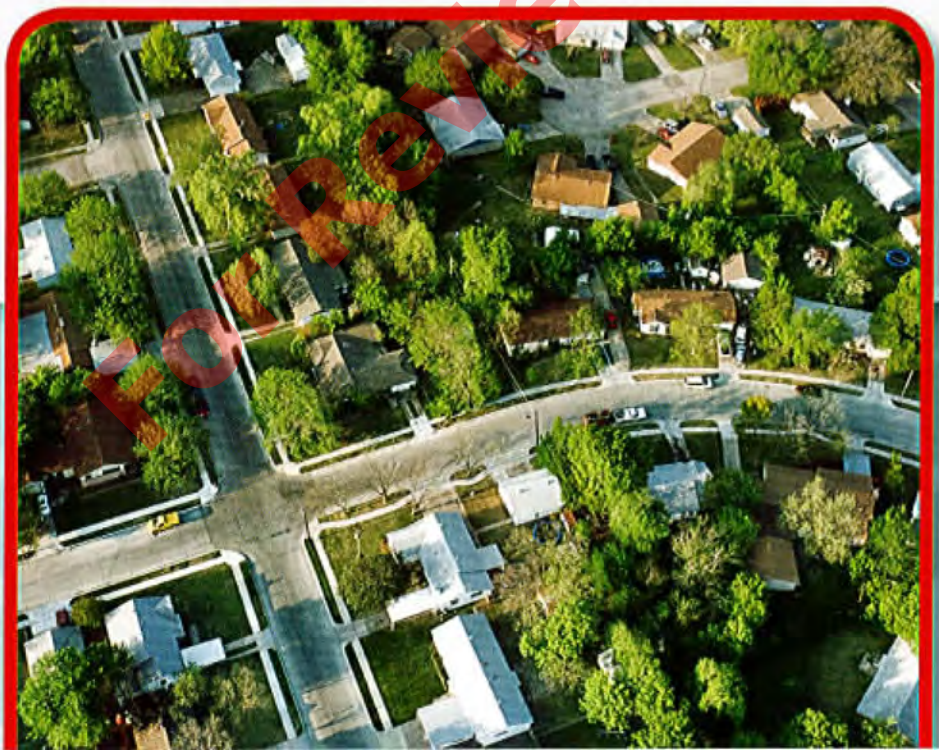

For Review only

Lots of Roads

There are small roads in towns.

Small roads do not have much traffic.

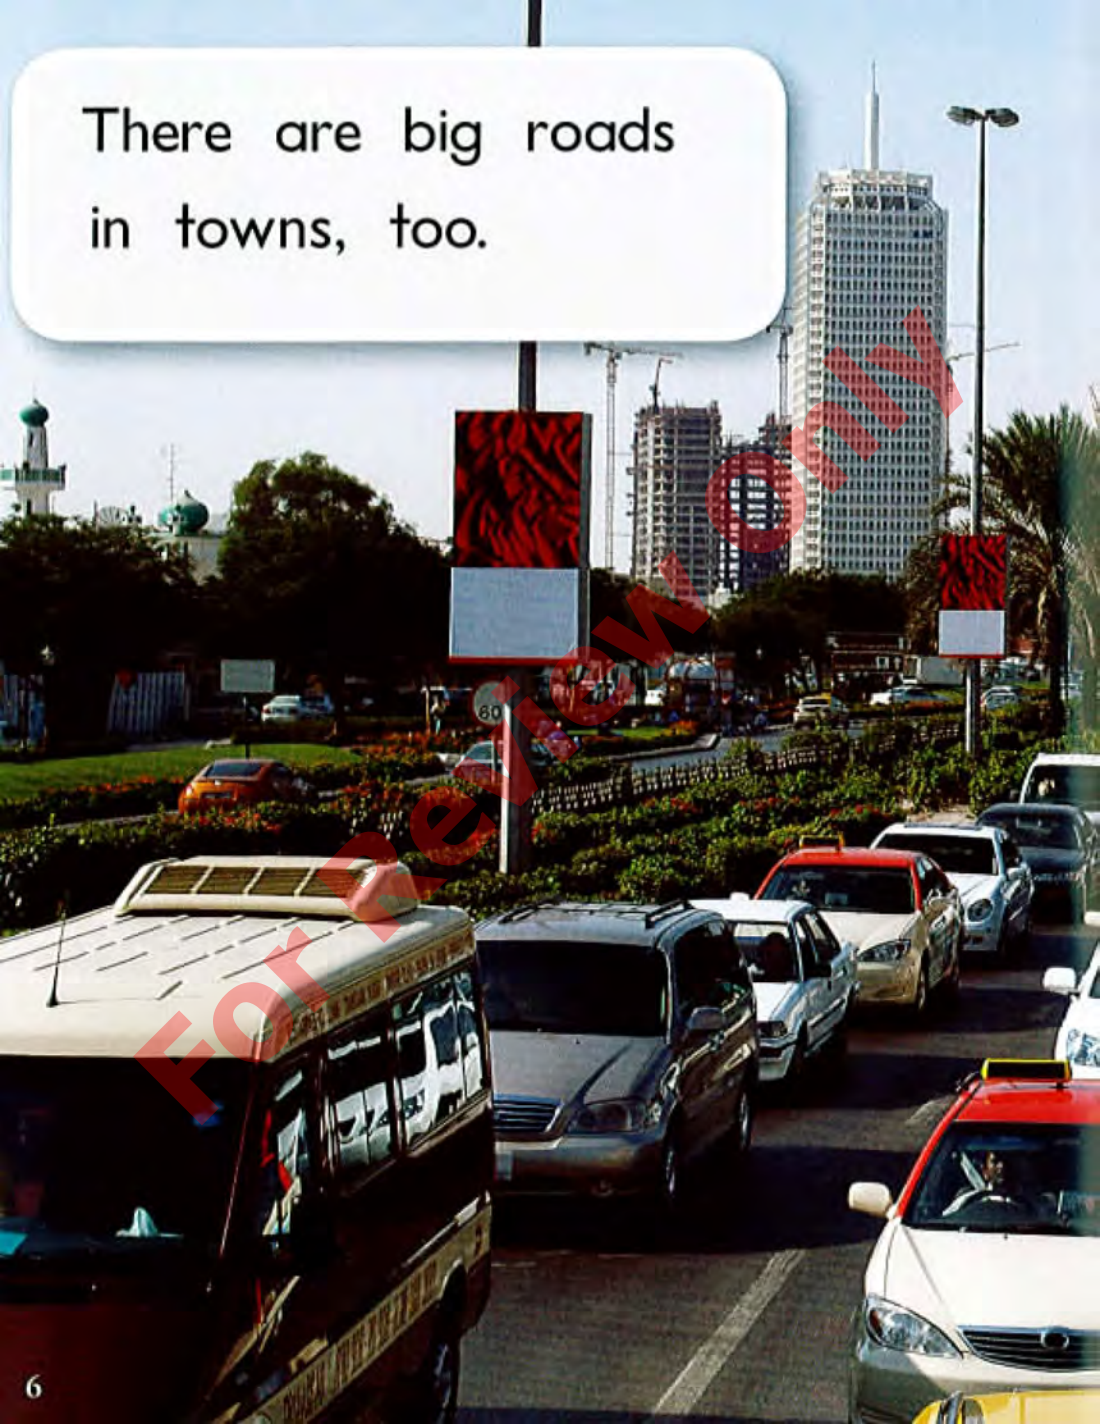

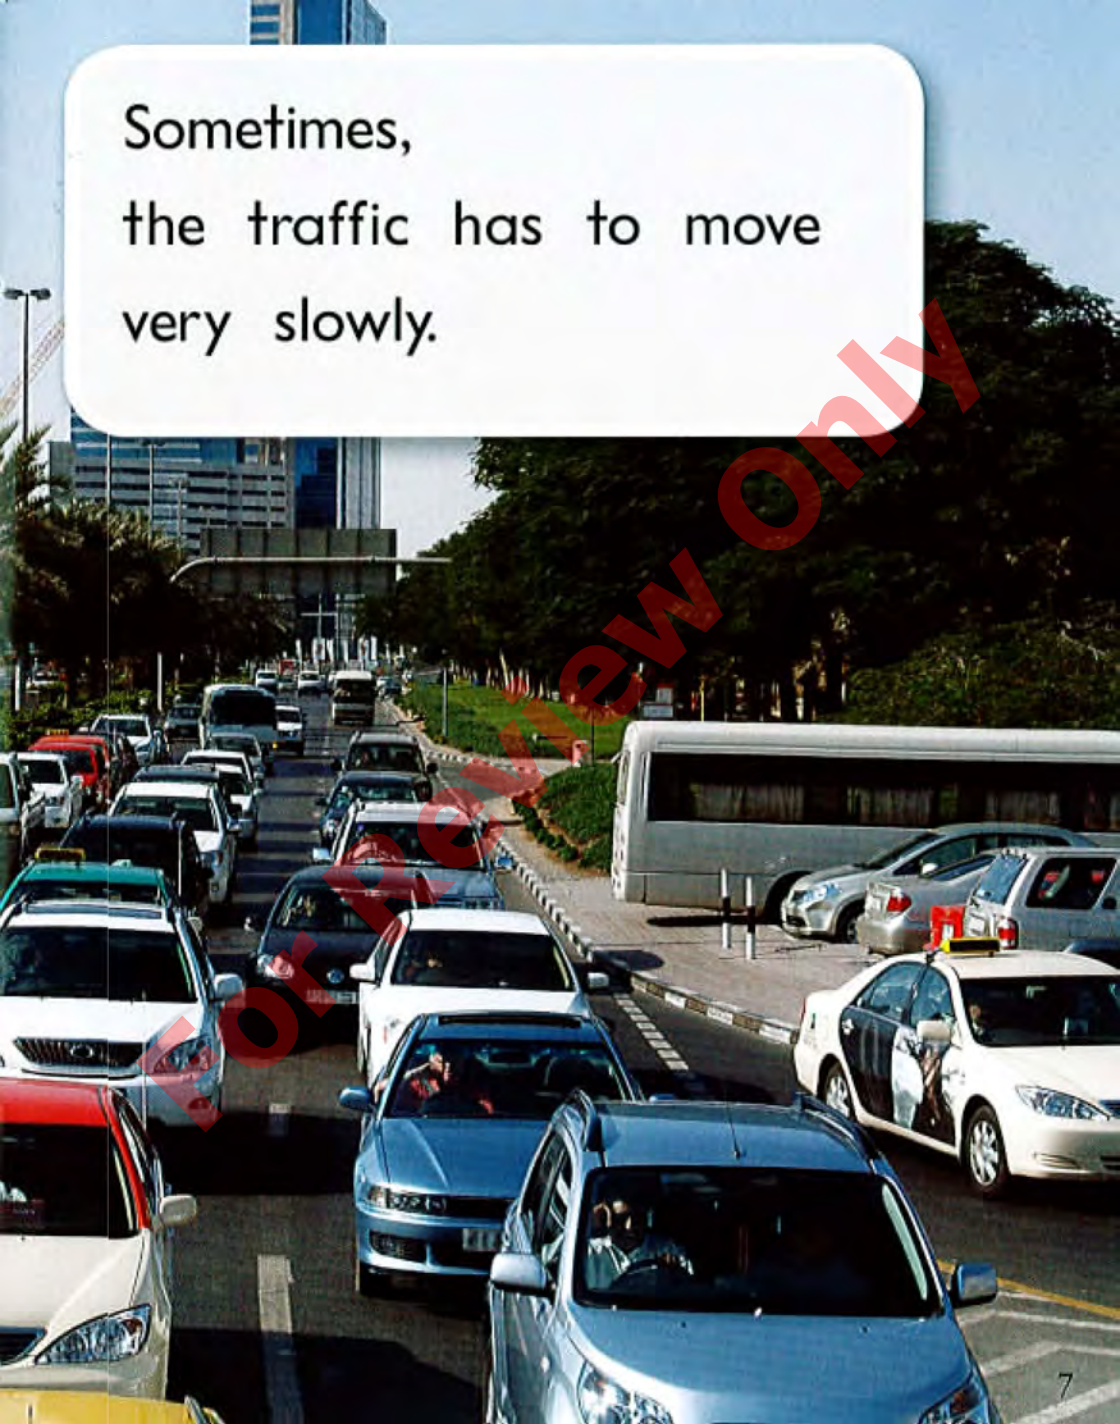

For Review Only

A lot of people live in houses next to small roads.

For Preview Only

There are big roads in towns, too.
