Our Five Senses

Level 15
Running Words 272 **Text Type** Information Report (Informative)
Curriculum Area Science – Living World

Retelling to encourage critical thinking about the content

Ask each student to retell the information report in his or her own words. Record the retelling for further discussion and reflection.

Questions to reinforce meaning and stimulate discussion

Literal

What are our five senses?

Why do we need our senses?

What can we hear when it rains?

How does our skin feel if we are out in the sun too long?

Inferential

How do we know if it is safe to cross the road?

How do we know if there is a fire?

How do our tongues help stop us from getting sick?

Our Senses

We have five senses.
We can see, hear, smell,
taste and feel.

We need our senses.
They help us to **learn**.
They help us to stay safe.

For teachers' inspection ONLY

Our Eyes

We see with our eyes.
We see lots of things around us.

Our eyes help us to read the words in our books.

For teachers' inspection ONLY

Our eyes help us to see the colours of a rainbow.

We can see when it is safe to walk across a road.

For teachers' inspection ONLY

Our Ears

We hear with our ears.
We can hear lots of things around us.

Our ears help us to hear rain falling on the roof.

Our ears help us to hear the music to a new song.

We can hear if a big dog barks at us.
