Goal

To make a shadow puppet theatre and a shadow puppet

Materials

You will need:

- two big pieces of black paper (300 mm × 420 mm)
- one small piece of black paper (210 mm × 297 mm)

- glue

- a white pencil

- a ruler

For Review Only

- scissors 
- **baking paper** 
- a stapler 
- Blu Tack 
- a stick (like a chopstick) 
- a **torch.**

Steps

Make the Theatre

1. Put the two big pieces of black paper on the table.

2. Put glue around the outside of the pieces of paper.

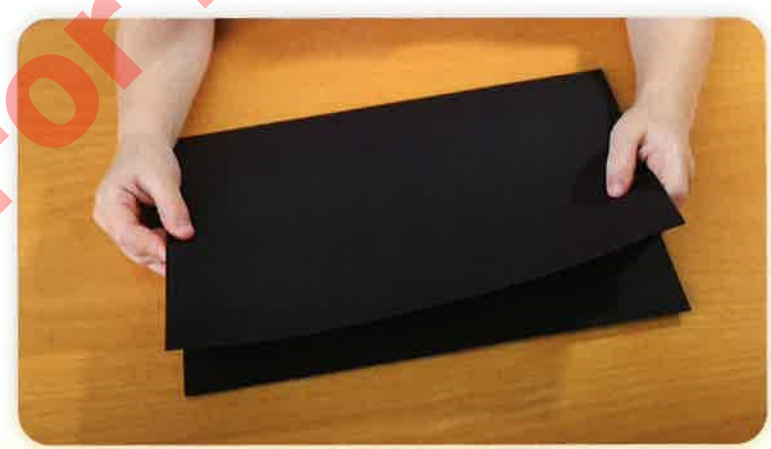

For Review Only

3. Then, put one piece of paper on top of the other.

Stick the pieces of paper together.

4. When the glue is dry, **fold** the paper, like this.

For Review Only

5. Next, draw three white lines on the black paper with the pencil and ruler.

6. Cut along the white lines with scissors.

For Review Only

7. Open out the black paper.
It will look just like a window.

8. Next, cut a rectangle
out of the baking paper.
Make it a bit smaller than
the black paper.
