One day, Stella and Mum
went to the shops.

Stella got a birthday card
for her brother, Ollie.

Stella looked at the card
as they walked home.

“Ollie will like this funny card,”
Stella said to Mum.

Stella did not see
the big puddle.
She walked into it.

Splash!

“Oh, no!” cried Stella.

“I let go of Ollie’s card.

It is in the puddle!”

The card was
all wet and muddy.

“It’s too late to go back
to the shop for a new card,”
said Mum.

Stella was sad.

Then, she saw
all the leaves
on the path.
