Goal

To make a flower **pattern**

For Review Only

Materials

You will need:

- a bucket.

You will need to find:

- ten little leaves 
- ten long leaves 
- ten yellow leaves 
- ten stones 
- one big flower.

Steps

1. Go outside to your school ground.

   Bring your bucket with you.

2. Look for green leaves that are on the ground.

   Find ten little leaves and ten long leaves.

   Put them in your bucket.

3. Then, find ten yellow leaves on the ground.

Put them in your bucket, too.

4. Next, find ten stones.

Put them in your bucket.

5. Look for a flower on the ground.

Try to find a big flower.

Put it in your bucket.

(Don't take a flower from a plant.)
