Running Words 483 **Text Type** Narrative (Imaginative)

Curriculum Areas Humanities; Technology

Retelling to encourage critical thinking about the content

Ask each student to retell the story in his or her own words.

Record the retelling for further discussion and reflection.

Questions to reinforce meaning and stimulate discussion

Literal

Why did Ms Wills ask the children to take photos?

Why couldn't Asha find their camera at home?

Why was Asha so upset?

Who gave Asha a camera?

Inferential

Why did Asha want to take photos of her family?

Why did Asha rush over behind the tree?

Why did Lucy follow Asha?

Why did Asha feel proud when her photos came up on the screen?

Chapter 1

The Photo Project

Asha had been at her new school for a week.
She liked school very much.
She had even made friends with a girl
called Lucy.

One day, their teacher, Ms Wills, said,
"I want you all to take photos
of the people and things around you.
Then, we will make a slide show
that your families can come and watch."

Chapter 2

Where Is the Camera?

After school, Asha looked for the camera.
She wanted to start taking photos.
She hunted everywhere for it,
but she couldn't find it.

Her family had moved into their new house
a week ago.
There were still some boxes left to unpack.

"Where is our camera, Mum?" asked Asha.

"Hmm," said Mum. "It must be here somewhere."

Asha and Mum looked through the boxes,
but they still couldn't find the camera.

Just then, Dad came in the front door.
"What are you looking for?" he asked.

"Our camera," said Asha.
"I need it to take photos
for a slide show at school.
Do you know where it is, Dad?"

For teachers' inspection ONLY

"Don't you remember?" said Dad.
"I gave the camera to Kofi,
to take on his school camp."

Kofi was Asha's big brother.

"Oh, no!" said Asha.
"He won't be back for days!"
