PM

Eggs for Breakfast

Levels 5/6 **Running words** 128

Text Type Non-fiction

Curriculum Area Mathematics – Number Comparisons

Concepts

Match related objects in one-to-one correspondence.

Count to find the number property in sets containing up to four objects.

Key High-frequency Words

for, goes, like, my, This

Key Teaching Points

Study the cover photograph. Talk about the table setting and the number of chairs and people.

Reinforce the properties of the number four as the book is read.

Key Questions

How many eggs did Mum put in the saucepan? *(Literal)*

Why did the girl put four mats on the table? *(Inferential)*

Maths Language Activity

Have students make and decorate a bookmark for each member of their family.
Encourage them to say: *This one is for Mum. This one is for my brother.*
