My Little Sister

Level 8/9 **Running words** 118
Text Type Non-fiction

Key High-frequency Words

her, like, make, play, she, with

Key Teaching Points

Identify the older sister and the younger sister. Notice family features.
Talk about the skills of the older sister and how the girls are co-operating with each other.

Key Questions

When does the older girl play with her little sister? *(Literal)*
Why does the older girl make sandcastles for her little sister? *(Inferential)*

Oral and Written Language Activities

Invite a 'little sister' into the classroom. Ask her questions about what she likes to do with her older sister or brother.
Make a class book of the responses to these questions.

For Review Only

My little sister looks like me,

and I look like her.

I am big,

and my sister is little.

She is three.

After school,

I play with my little sister.

She likes to go up and down

on the swing.
