We are playing

Level 2 **Running Words** 56

Key High-Frequency Words

like, on, play, to the, We

Key Language Structure

One sentence with six words on two lines.

Pronoun + verbs + adverbial phrase

We + *like to play* + *on the swings.*

Key Teaching Points

Picture Discussion

Read the title and study the photograph. Establish that the two children are at the playground in a park. Turn to page 2. Read this sentence together. Predict other equipment the children may like to play on.

Encourage students to read aloud to the end of the book.

Concepts About Print

Reinforce cross-checking visual information, i.e. the photograph and the initial letter or blend, to decode the final word in each sentence.

Key Questions

Who played on the equipment at the playground? *(Literal)*

Why did the children like to play on the net? *(Inferential)*
