Storm!

Mum picked Bella and Jake up from soccer.

“Hurry!” Mum called from the car.
“I want to get to the house.
The news says there’s a big storm.
It’s coming from the east.”

Jake looked at the sky.
“The clouds are black,” he said.

Then, the wind blew hard.
The car shook.

“The clouds are green now,”
Bella said.

“That means hail,” said Mum.
“Hail comes from green clouds.
I hope we get back before it starts.”

Then, crack!
Something from the sky
hit the roof of the car.
