Super Saver!

One day, Dad looked in his wallet.
He didn't find any money.
Mum looked in her purse,
but she didn't find any money, either.

“We spend too much,” said Dad.

“Yes,” said Mum.

“We need to save more.”

Then, I spoke up.

“Let me be *Super Saver*,” I said.

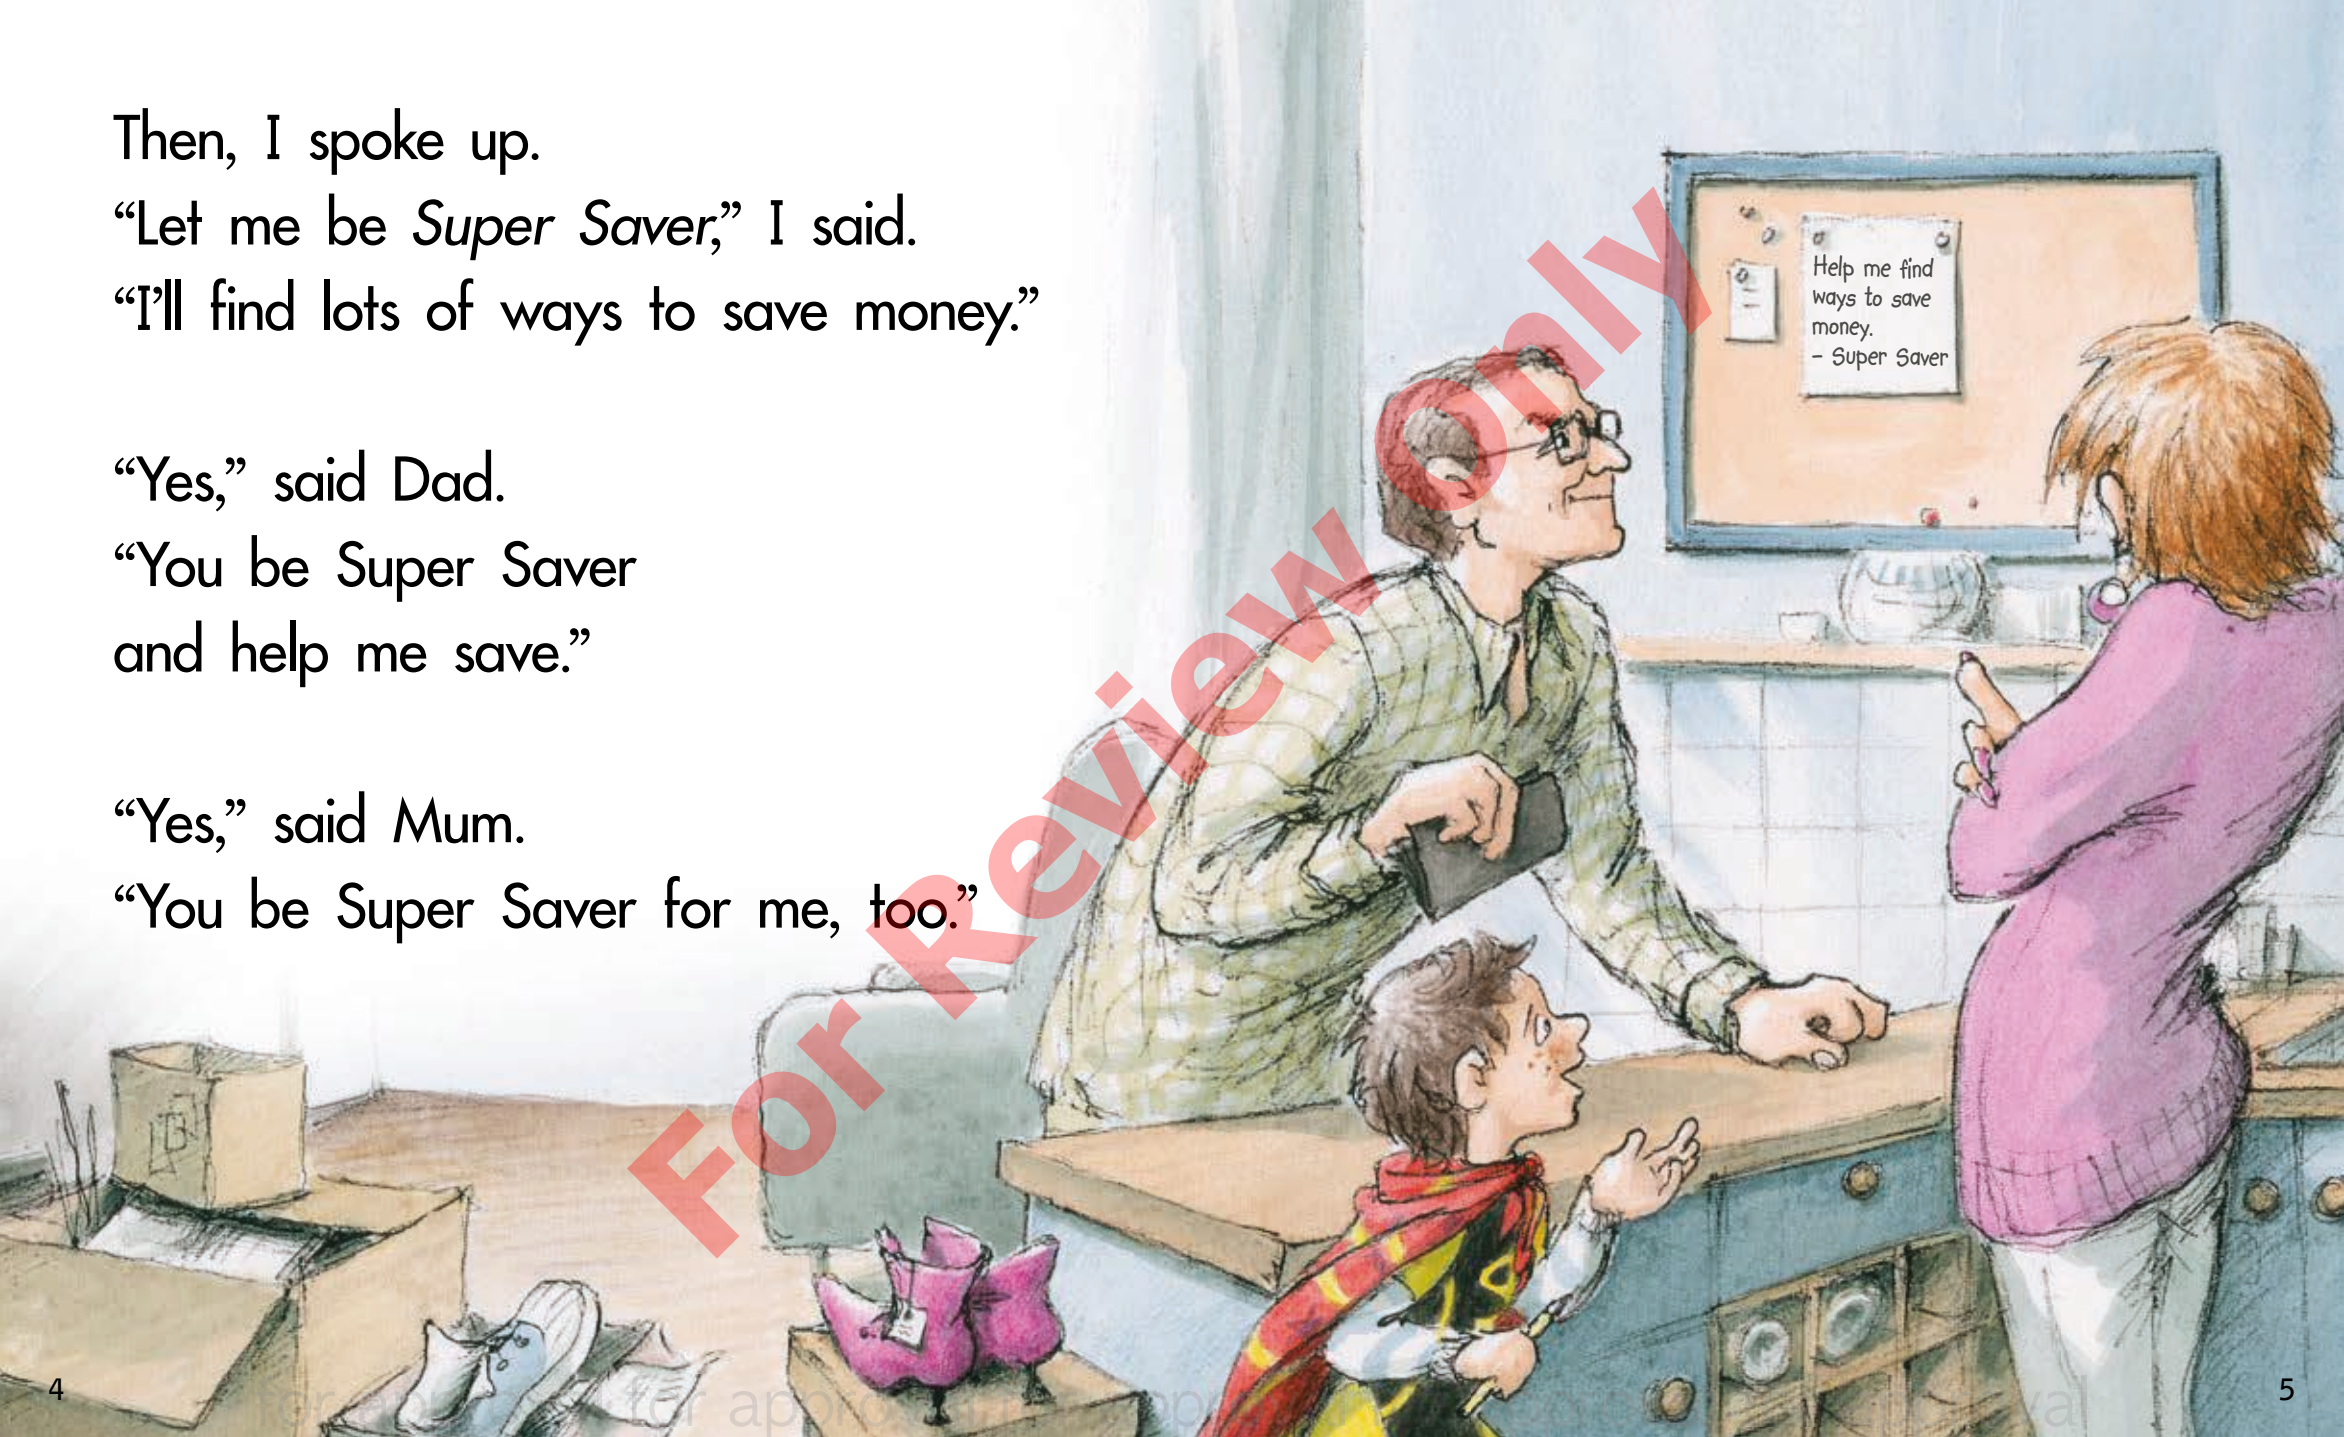

“I’ll find lots of ways to save money.”

“Yes,” said Dad.

“You be Super Saver
and help me save.”

“Yes,” said Mum.

“You be Super Saver for me, too.”

First, Super Saver turned
all the lights out.

“That will save money,” I said.

Mum bumped into me.
Dad bumped into me.

“I can’t find my shoes,” said Mum.

“I can’t find anything,” said Dad.
