Fire at the House

It was very hot and dry
because it had not rained
for many days.

One day, Christos and Nico's dad
came home looking worried.

“Jim across the road phoned,” said Dad.
“He said there’s a fire coming.
We’re very worried.”

Nico, Christos, and Dad
rushed to check the TV.

The man on the news
was talking about the fire.

“If the wind blows the fire across the hills,
you should leave your homes,”
said the man.

“Stay tuned for more news.”
