June 15

Tomorrow is a very big day. I'm going on a holiday all around the world. I'm so excited. And that mean thief, Gorgar, won't be able to find me.

Tonight, I picked up my suitcase to see how heavy it was to carry. Before that, I packed my best crown. Then, I packed my diary and my quill to write with. Last, I packed my warm clothes and sunglasses.

Now, it's time for bed, but I'm so excited I don't know if I can sleep!

I got up early this morning to set out on my holiday.

My friends the queen and the farmer came to wave me off. They told me to have a great time. As I flew off, I promised to send postcards as soon as I could.

The next day, I arrived at Loch Ness in Scotland.
I went there to see my cousin Nestor.

When I got there, I called out to Nestor. After a few minutes, his head popped up through the dark water of the huge loch. When he appeared, people screamed and ran away.

Nestor laughed. He said he liked to pretend he was a big scary monster to frighten them.
