Chapter One

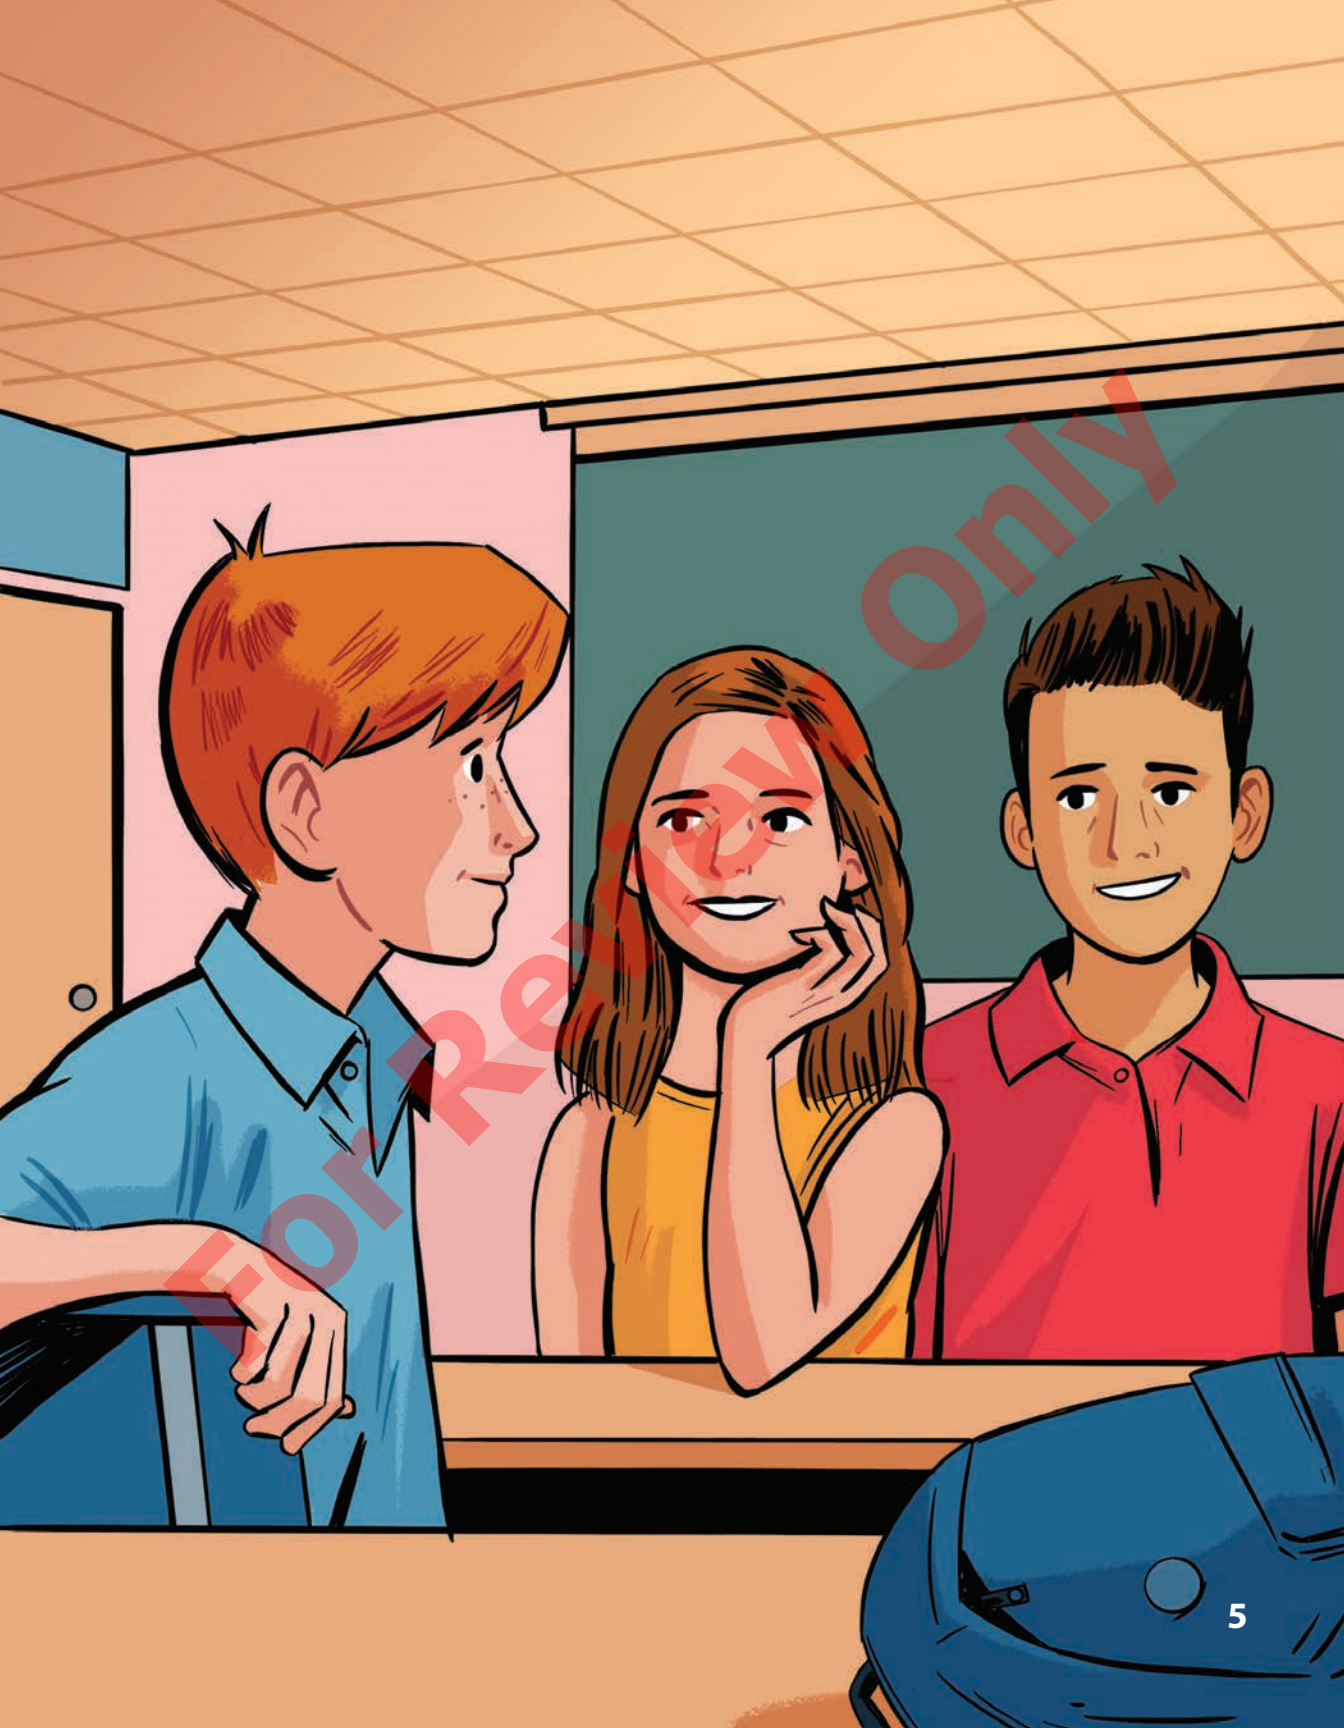

School Days

Max walked into his classroom. He sat down at his desk and unpacked his backpack.

“Hi, Max!” called Lilly.

“I’m so happy you’re here today. We missed you while you were out,” said Carlos.

Max did not go to school with his friends every day. Some days, he went to work. Max was an actor. He played a character on a TV show.

“I’m happy to be here today, too,” said Max. “I can’t wait for science!”

“Science? Really? I’m more excited that Lilly and I get to go to the set with you tomorrow,” said Carlos.

“I can’t wait!” screeched Lilly.

Laughing, Max said, “I can’t wait, either. It will be fun to show you both where I go when I’m not at school.”

Chapter Two

A Day on Set

Max couldn't contain his excitement. His friends were finally coming to visit the set! Suddenly, there were familiar voices outside his trailer. Max opened the door and stepped out.

"We're here!" Lilly called.

"She has been bouncing up and down the whole car ride here," laughed Carlos.

"I'm just so thrilled! I have never been on a TV set before," said Lilly.

Max on TV

Max loves going to school. But he also has a really fun job. Some days, instead of going to school, Max goes to work on a TV set. Follow along as Max shows his friends around a TV set!
