The Little Prince and the Rose

CHAPTER ONE The rose

The Little Prince lived on a very small planet. He had yellow hair and green trousers. He was the only person on his planet.

One day, a new flower came to his planet. The Little Prince watched it every day. He waited.

One day, the flower opened.

It was a red rose.

'You are beautiful,' the Little Prince said.

'Yes, I am beautiful,' the rose said. 'I am the only rose in the universe.'

The Little Prince looked at the flower.

'It's time for breakfast,' the rose said.
'Oh!' said the Little Prince. 'I'm sorry!'
He ran for some water.

The Little Prince loved the rose, but the
rose was never happy.
'Your planet is cold,' the rose said.
'Your planet is windy,' the rose said.
The Little Prince was sad.

'I'm going away,' the Little Prince said one day.
The rose was sad.

'Aren't you angry with me?' the Little Prince asked.

'No,' she said. 'I'm sorry because I was bad. I love you. Go now! Be happy!'

'Goodbye,' the Little Prince said, and he flew away.
