Subject: Hello from Australia!

Hi Meilin,

I'm Jasmine, your cousin from Australia!
I will meet you soon on our trip to China.
Mum suggested I send you an email first.

China is really far away from Australia!
It will be a long trip, and we can't wait.
Our neighbours, Mr and Mrs Jones, will
watch our house while we are gone.
We gave them a present to thank them.

Please tell me more about China.
Where do you live?
In Australia, we live in Queensland.
We live in a house near the beach.

How is school in China?
I go to school from Monday to Friday.
On weekends, Mum takes me to the beach for fun!
But I have to do all my homework first.
