macmillan education

Say

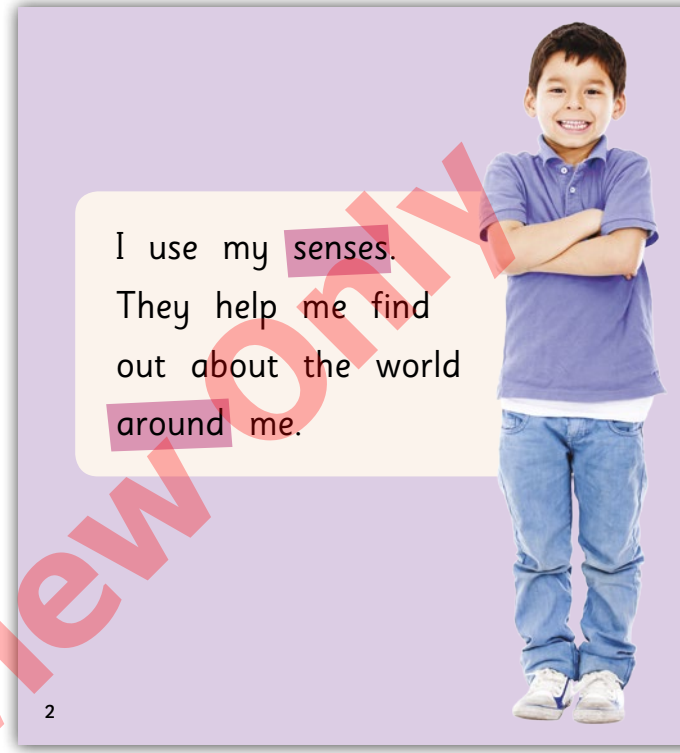

'I will read page 2 to you. Then, look at page 3 with your partner.'

Read

Read page 2 to the students. Then, ask them to look over the diagram on page 3, in pairs.

Check Understanding

- What does the boy use?
- What do his senses help him do?
- What do we mean when we talk about 'senses' in this book?
- What is another word for 'around'?

For Review Only

Talk
