Many animals and plants live in the sea.

For teachers' inspection ONLY

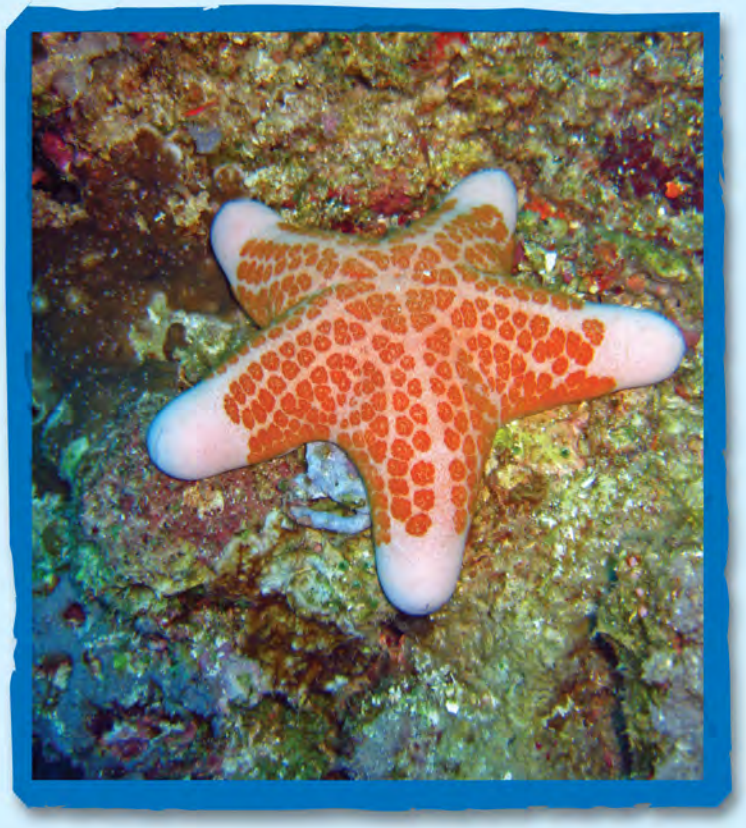

Sea horses live in shallow water. They hold on to **seaweed.**

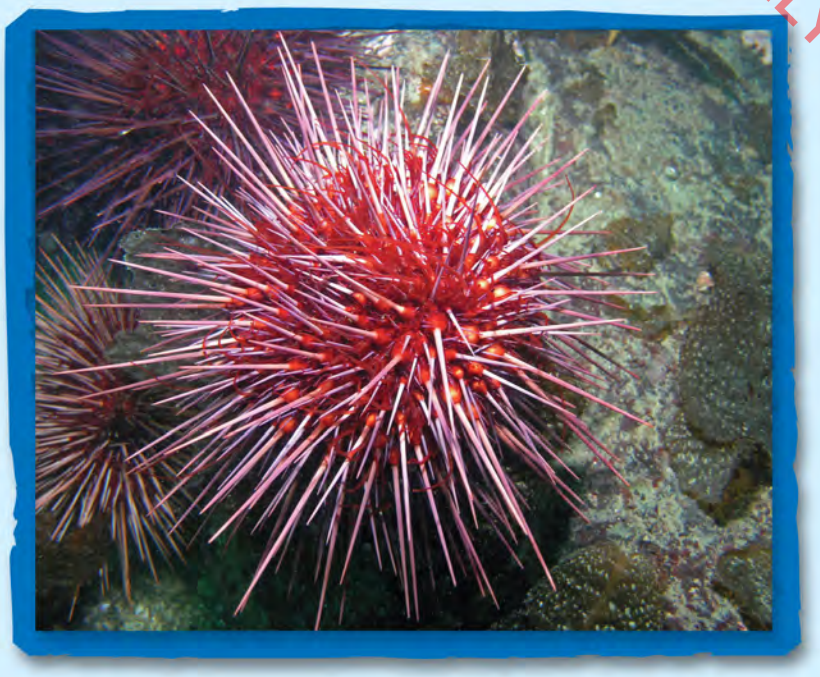

Crabs live in shallow water, too.

For teachers' inspection ONLY

Starfish live in tide pools.

So do **sea urchins**. They are both small creatures that come and go with the tides.

For teachers' inspection ONLY

Whales can dive deep, but they are mammals.

Mammals have to come up for air.
