Introduction

Do you like creepy, crawly things?

If you do, then you must like **insects** and **spiders**. Read this book to learn about them.

For teachers' inspection ONLY

Insects

There are more insects in the world than any other kind of animal.

Insects are everywhere! They are on the land and sea, and in the sky.

For teachers' inspection ONLY

For teachers' inspection ONLY

Most insects eat plants.

Many insects help plants grow.
