Zoo Hullabaloo

Written by Sophie Valentine
Illustrated by Samantha Paxton

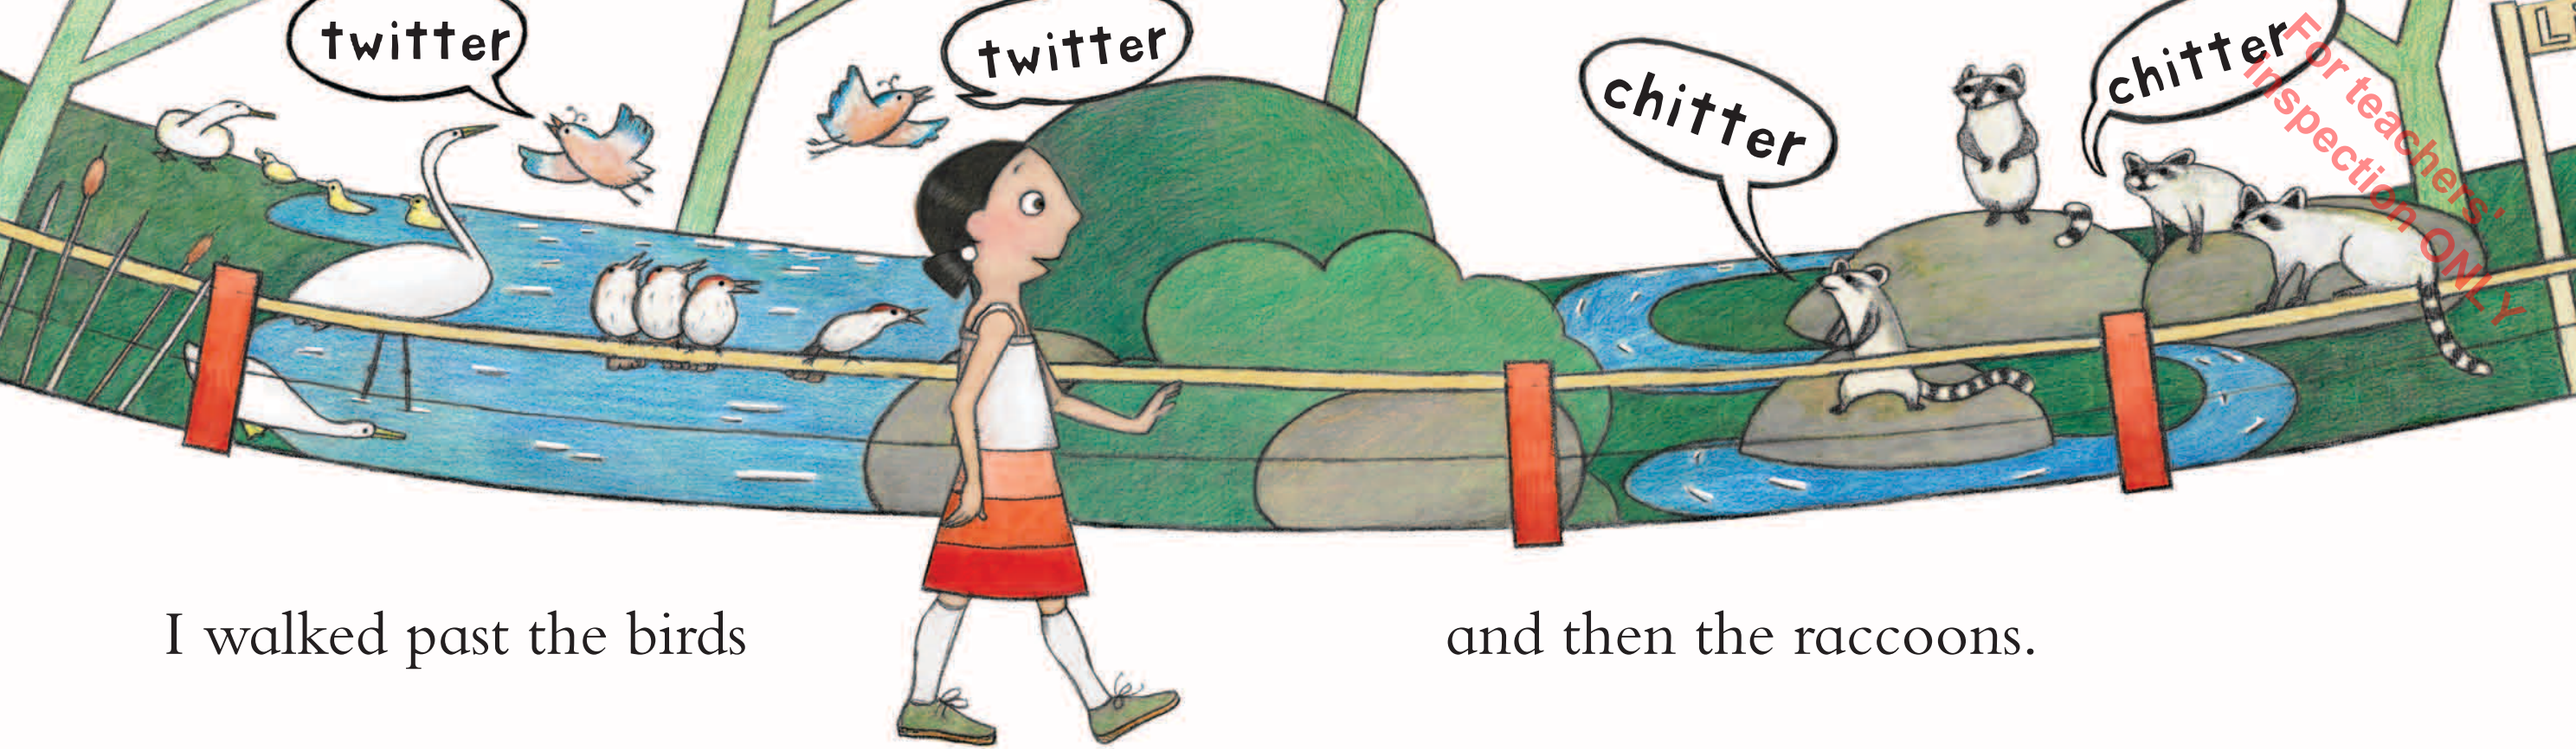

When I went to the zoo, the noise was a riot!

There wasn't an animal there that was quiet.

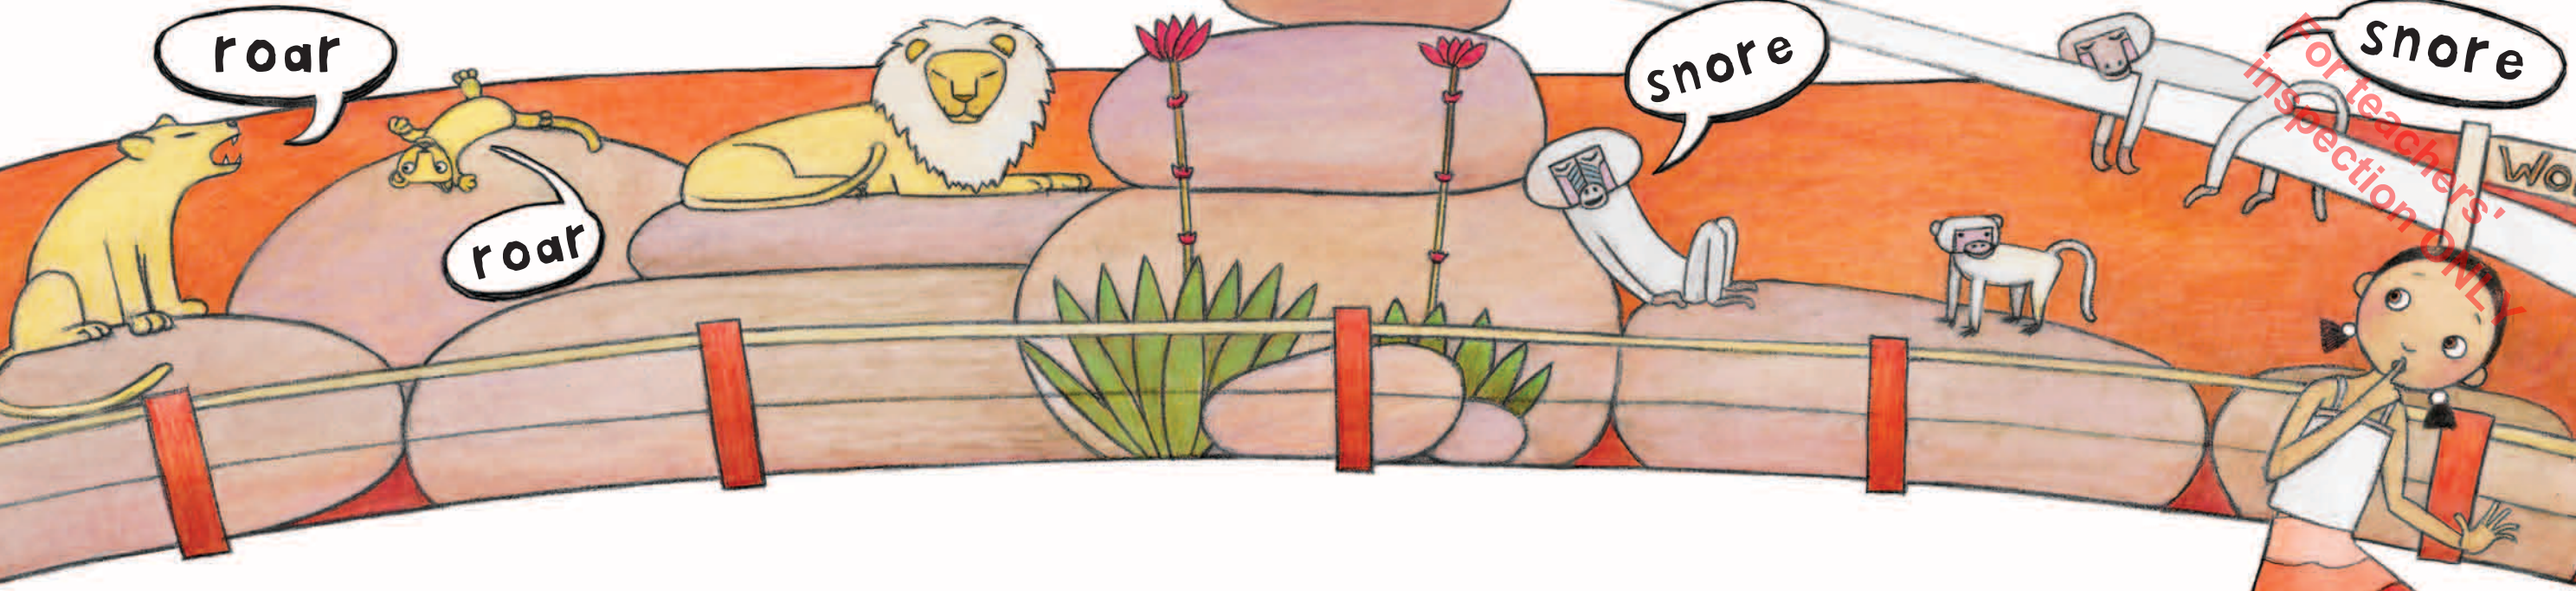

For teachers' inspection ONLY

I walked past the birds

and then the raccoons.

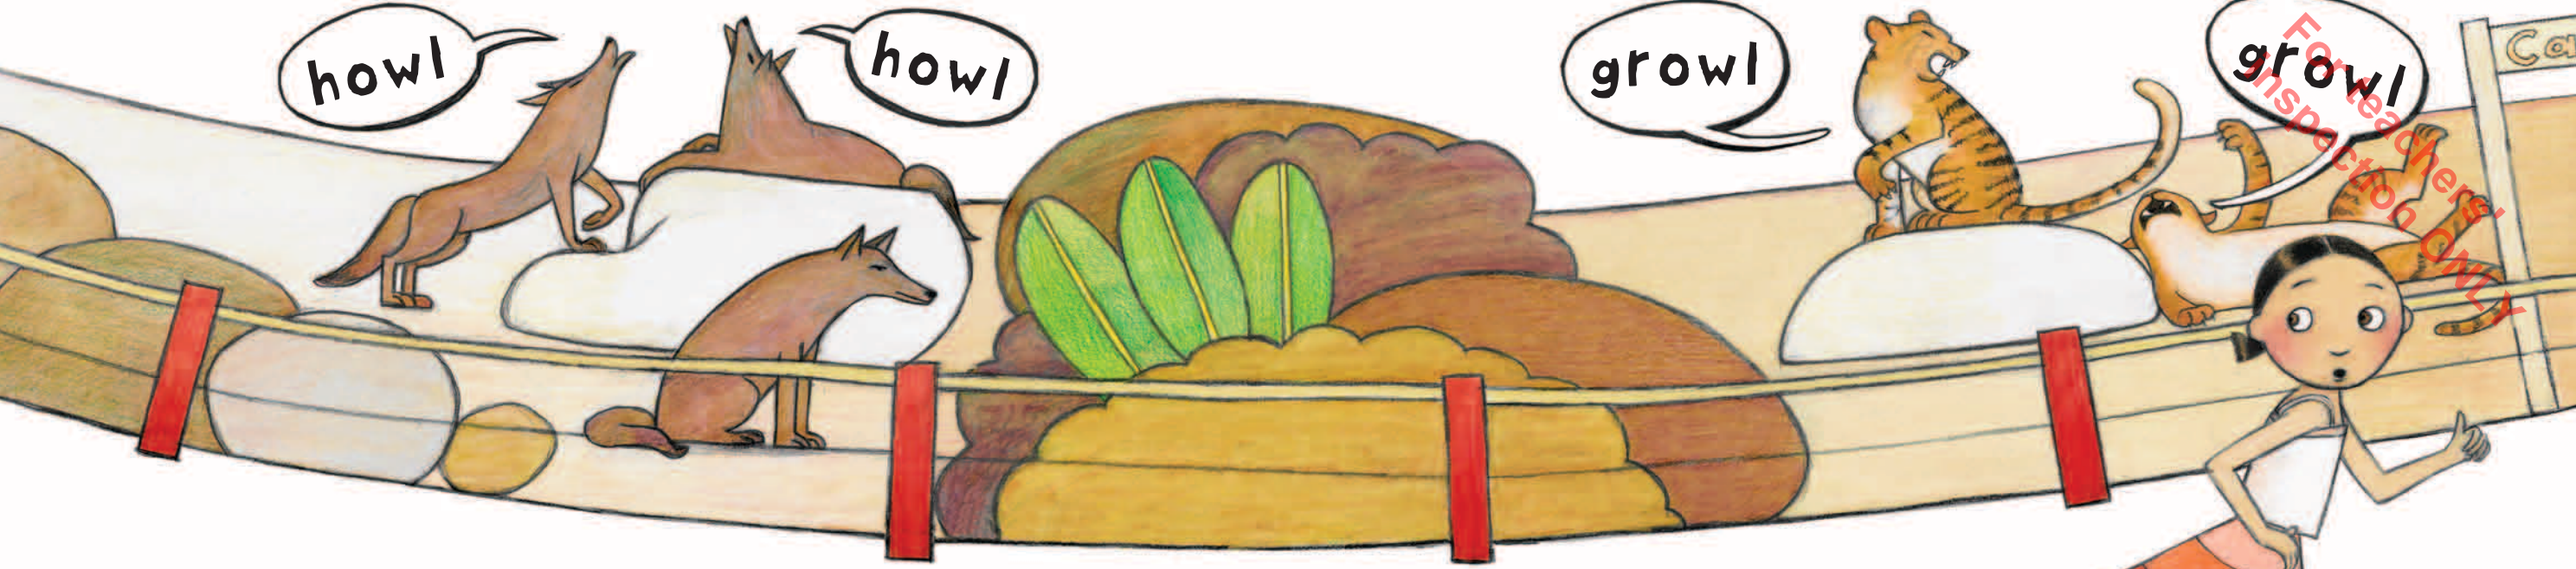

For teachers' inspection ONLY

I crept past the lions

and then the baboons.

For teachers' inspection ONLY

I ran past the wolves

and the tigers, too.

For teacher inspection only
