# Scene One

*(A waiting room, two nurses enter.)*

**Nurse Stitch:** My tooth is aching, so I have a dental appointment today.

**Nurse Payne:** At what time?

**Nurse Stitch:** At tooth-hurty, of course.

**Nurse Payne:** Why did Dr. Croak tell me to walk past the pill cupboard quietly?

**Nurse Stitch:** So you wouldn't wake the sleeping pills.

**Nurse Stitch:** Call Dr. Stump and tell her to go to the Emergency Room immediately.

*(An alarm sounds.)*

**Nurse Payne:** The Emergency Room? What is that?

**Nurse Stitch:** It's a big room with very sick people in it.

*(Mr. Spotswood approaches the nurses.)*

**Nurse Stitch:** What seems to be the trouble, sir?

**Mr. Spotswood:** I keep seeing spots.

**Nurse Stitch:** Have you seen a doctor?

**Mr. Spotswood:** No, just spots.

**Nurse Stitch:** Well, you will need to see the eye doctor then. Just up the stairs, and follow the spots.

*(Mr. Spotswood exits.)*

# Scene Two

*(The doctors see more patients.)*

**Nurse Tend:** Doctor, there is a man in the waiting room with a glass eye called Mr. Brown.

**Doctor Bandage:** What does he call his other eye? *(Nurse shrugs and exits.)*
