Grandma Went to School

Written by Marie Gabriel
Illustrated by Si Clark

Liz went to school
with her grandma.
Her grandma said this school
was not like hers.

For teachers' inspection ONLY

Her grandma said,
"Where I went to school,
we skipped."
Liz said at hers,
they played ball games.

For teachers' inspection ONLY

Her grandma said,
"Where I went to school,
we had desks."
Liz said at hers,
they had tables.

For teachers' inspection ONLY
