The Bell Garden

Written by Peter Rees
Illustrated by Janine Dawson

Poor Miss Bell taps away
at her computer all day.
Her job keeps her busy.
She cannot go away on holiday.

For teachers' inspection ONLY

Next door is an empty place.
No one keeps it tidy.
There is a lot of junk
that others have thrown away.

For teachers' inspection ONLY

We will make a garden there.
Who will lend us a hand?
Miss Bell cannot help.
Her hands are busy!
