"Fly, all of you!" said Mama Bird
to her four red babies.
"You can leave the nest now.
Fly down!"

"What if we get it wrong?"
said the babies.

"You are older now," said Mama Bird.
"Just fly down."

The four red babies did not move.
They were scared to fly.

"Do not fly down.
Glide down," said a gliding bird.

The four red babies
did not move.
They were still
scared to fly.
