Mum had her own boat.
"We will sail far to the north to an island," she told Rosie.

Mum carried her own bag.
Rosie carried her own bag.

Mum and Rosie set sail.

"Is the island far away?"
said Rosie.

"It is far, far away," said Mum.

“How do you see the way this far out?” said Rosie.

“The computer helps me,” said Mum.

Mum checked the computer again and again.
