Dear Family and Fans,

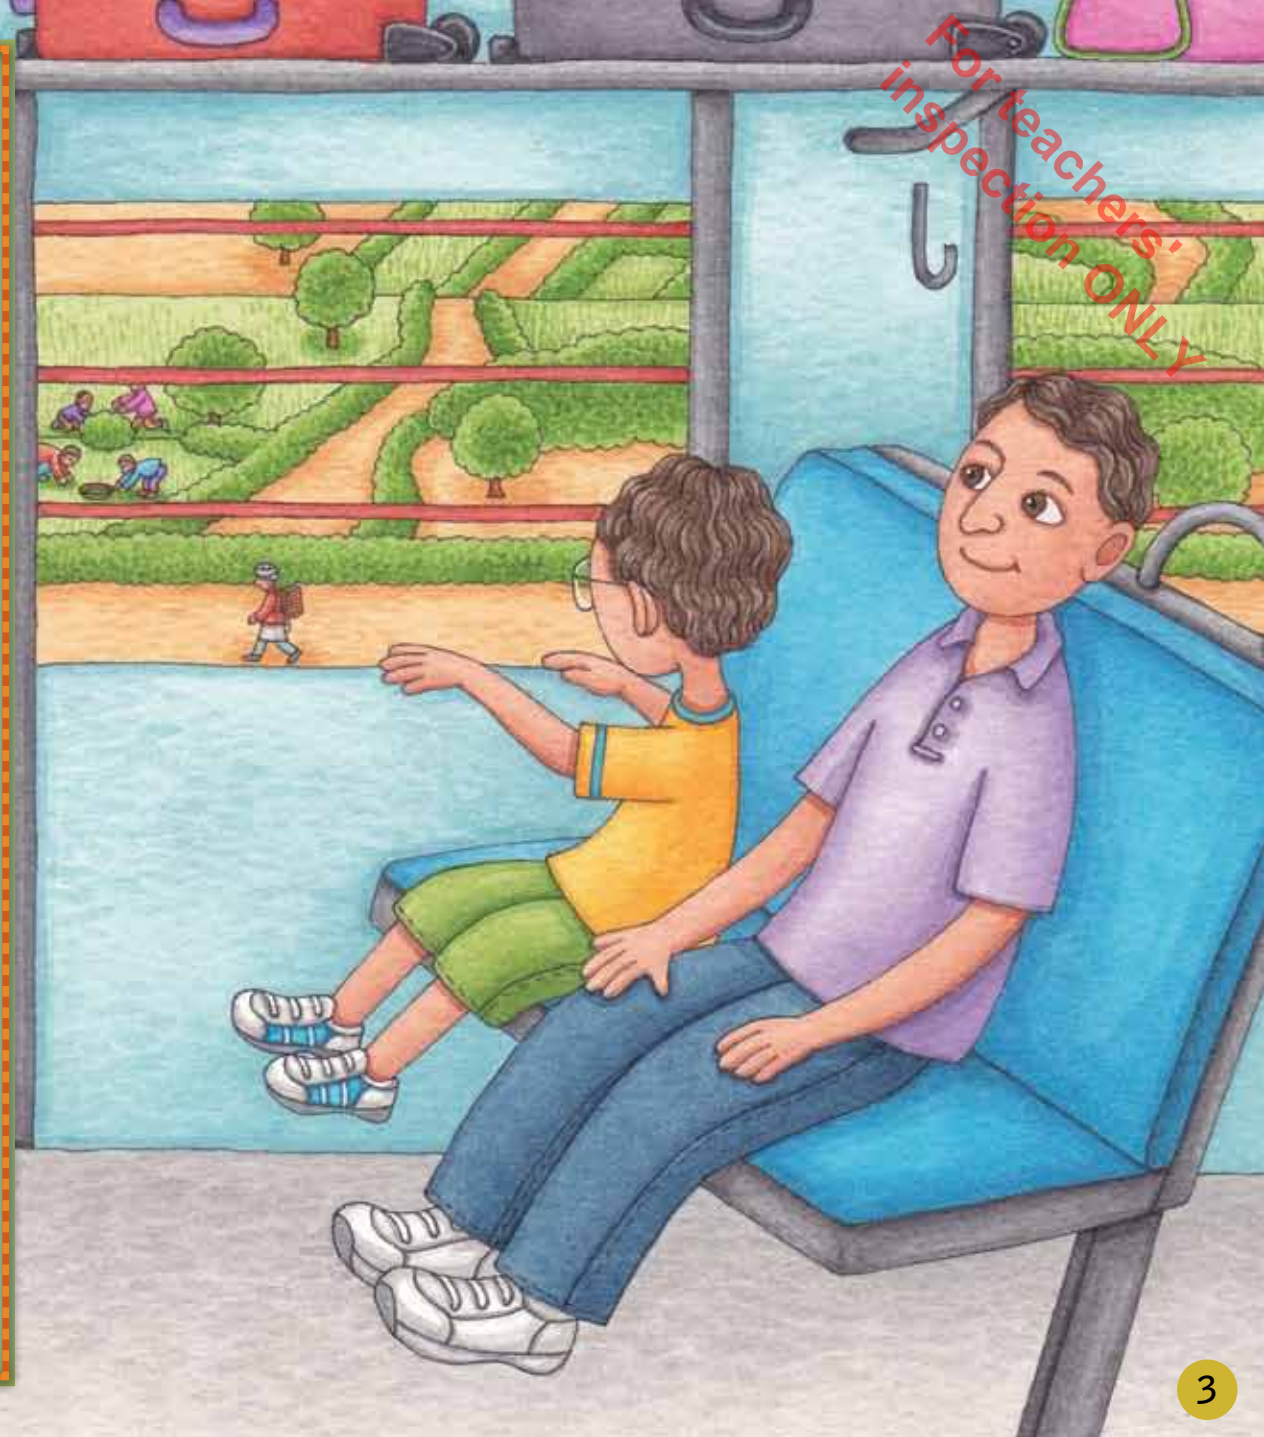

Dad and I are in India for ten days.
We'll be visiting Dad's family
and seeing the sights.
We're travelling around
this enormous country by train.
Please follow my blog,
and I'll keep you posted on all our adventures!

Have fun, Spencer.
I really wish I could be in India, too! ☺

Dear Family and Fans,

It's my birthday!
Dad and I went out for a celebration dinner.
I reminded Dad that Indian food
can be extremely hot and spicy,
but Dad wasn't worried.
He said he adored hot, spicy food.

For teachers' inspection ONLY

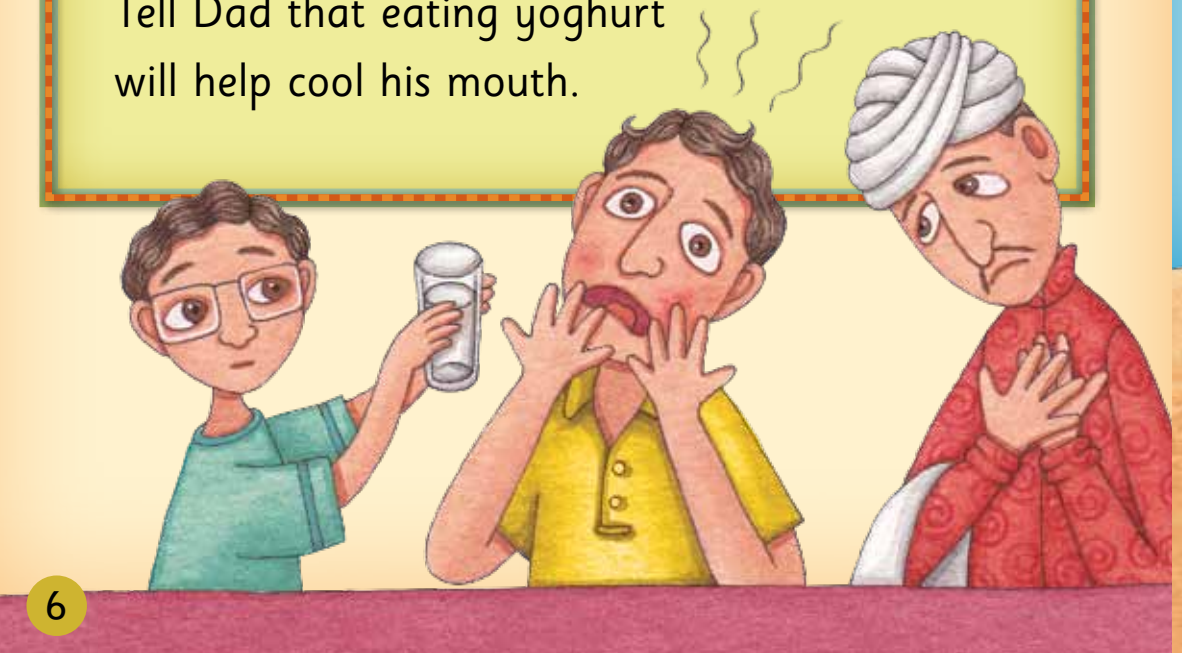

Unfortunately, Dad had no idea
just how hot Indian food can get!

Hi Spencer!
I'm going to follow your blog every day.
Tell Dad that eating yoghurt
will help cool his mouth.

Dear Family and Fans,

Today, Dad and I went out camel riding
in the desert.
Our guide told us to sit very quietly
on our camels, but Dad was so excited
that he yelled "Yippee!" at the top of his voice.
