Let's Do Science!

What things are living? Try this!

What to Get

- ❑ paper and pencil
- ❑ pictures of living and not living things

For teachers' inspection ONLY

What to Do

1 Group the items into living and not living things.

2 Make a chart like this one. Tape the pictures in the first column. Write an X to show if each thing is living or not living.

Item	Living	Not Living
	X	
		X
		

3 Tell how living things and not living things are the same and different.
