Let's Do Science!

How can you describe things like a scientist? Try this!

What to Get

- ❑ 3 things you can hold and look at, such as an apple, a twig, or an eraser
- ❑ paper and pencil

For teachers' inspection ONLY

What to Do

1. Make a chart like this one. Write the names of the three things you chose.

Item	Sight	Touch
apple		
twig		
eraser		

2. Hold each thing, one at a time. Write how it looks under . Write how it feels under .

3. Describe how the things are the same. Describe how they are different.
