At the Animal Shelter

It is noisy! There is so much to see! You do not know where to look first. You are at the animal shelter to get a new pet. Which one will you choose?

Animal shelters have many types of pets.

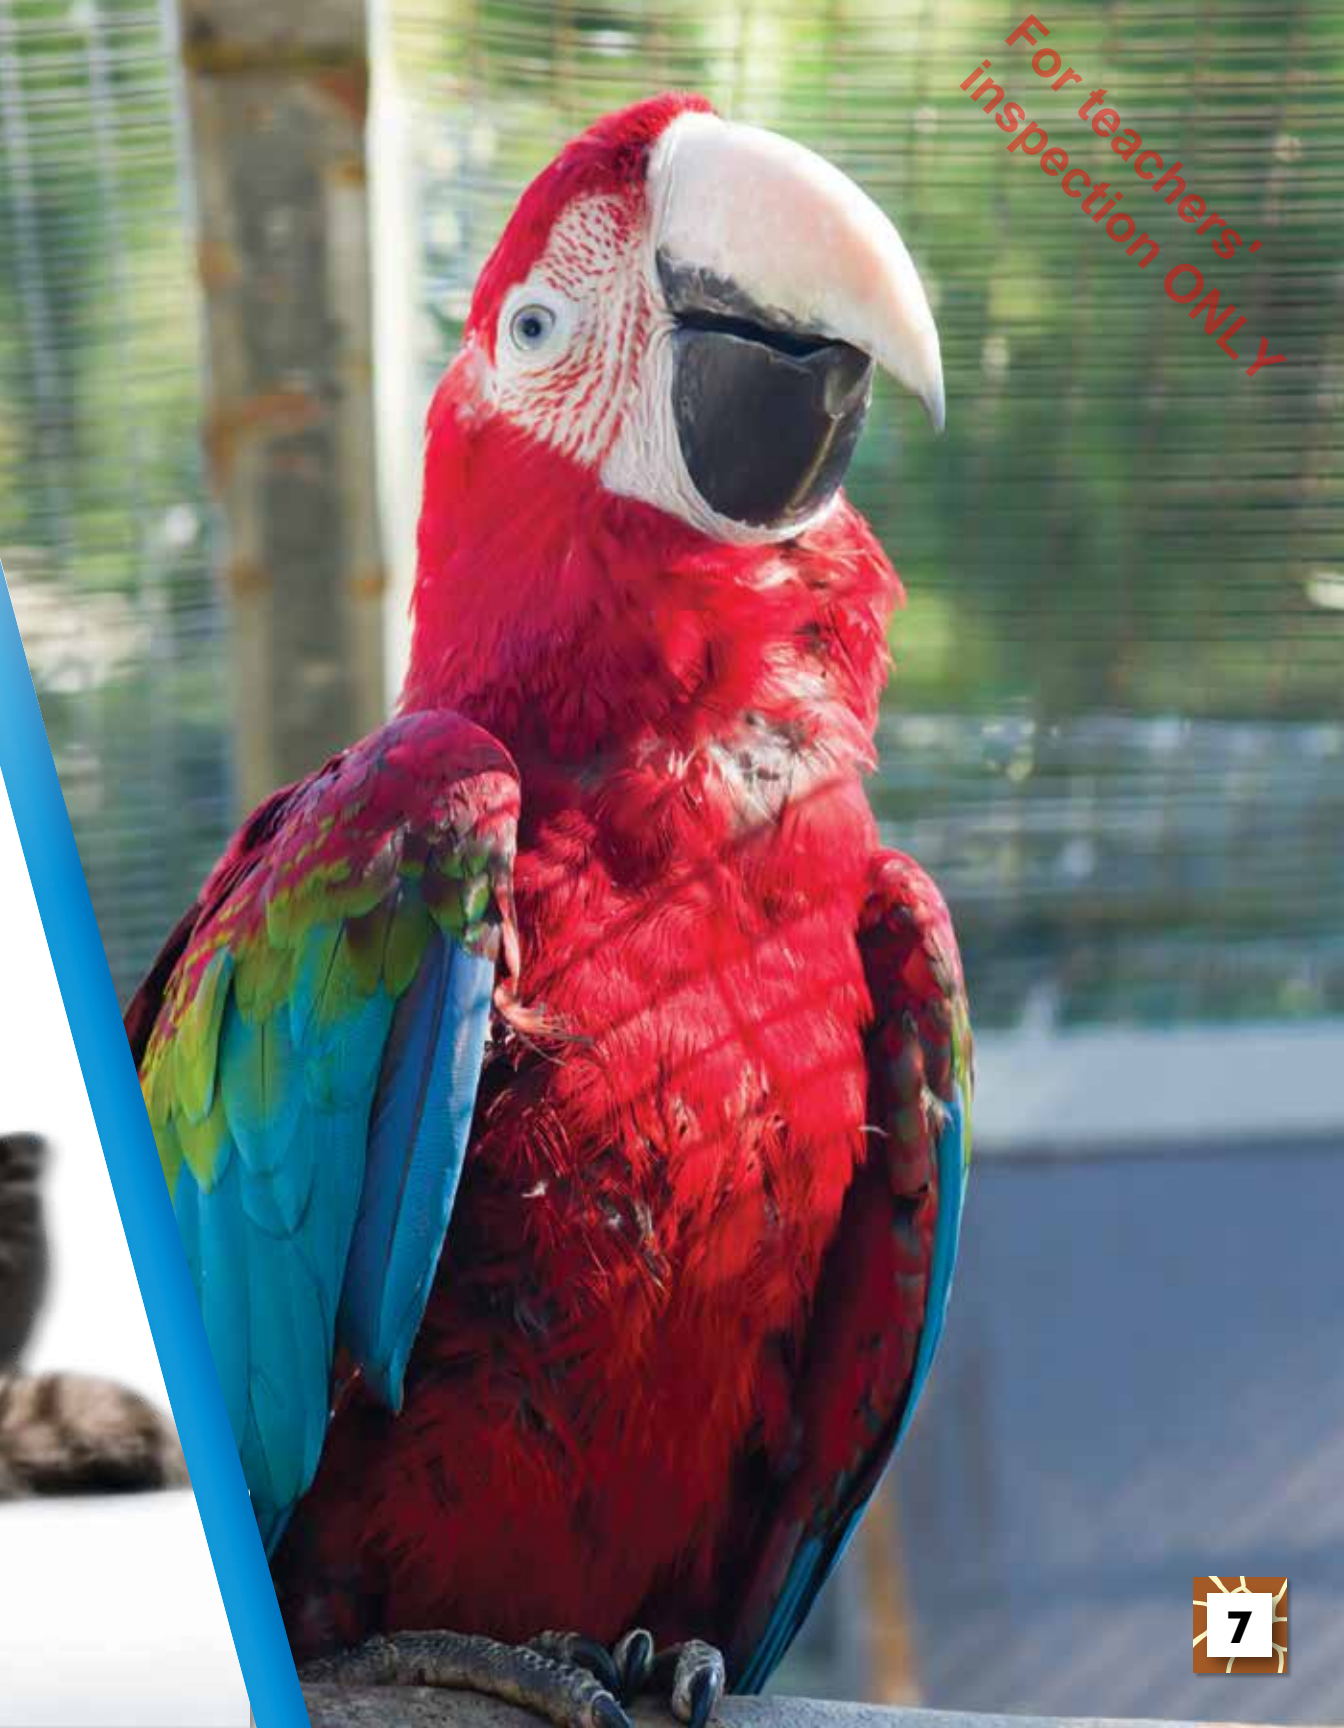

For teachers' inspection ONLY

You hold a soft kitten. She purrs quietly in your arms. You hear a puppy, "Yip, yip, yip!" His tail is wagging quickly. A colorful parrot catches your eye. It squawks, "Hello! Hello!"
