How to Take Care of a Plant

Andre likes to visit his aunt. She has a garden with trees, bushes, and flowers.

“Auntie, I like this flower,” Andre says.

“Here are some seeds,” his aunt says.
“Take them home and plant them.”

“Thank you, Auntie,” answers Andre.
“My brother Louie can help me.”

Louie is Andre's older brother.
He always helps his little brother.

“Louie, look at these seeds. Will you help me to plant them?” Andre asks.

“Do you know what you need for plants to grow?” asks Louie.

“No. I only know that they drink water when they are thirsty,” answers Andre.

“Yes, they drink water through their roots. Plants don’t have mouths,” says Louie.

“They also need sunshine,” says Louie.

“Let’s plant the seeds in the flower pot!”
says Andre excitedly.

“You have to water the seeds every day,”
says Louie.
