The Amazon River
is long and very wide.

Monkeys, frogs, and colorful birds
live along the river.

“Daniel, let’s go for a walk
along the river,” says Dad.

“Yes, we may see something exciting. I will bring my camera,” he answers.

As they walk close to the river,
Daniel takes pictures. All of a
sudden, Dad sees something fall
into the river.

“I hear water splashing,” Dad says.
“Let’s go and find out,” says Daniel.

“Look, Dad!” says Daniel. “There is something moving in the water!”

Daniel and his dad walk toward the water. They see an animal in the river.
