Mammals are animals. They live in different parts of the world. There are over 5,000 mammal species.

▲ These monkeys are from Peru.

All mammals feed their young milk. The babies get milk from their mothers.

Adult mammals care for their babies until they can live on their own.

Many mammals have hairy coats on their bodies.

▲ This sloth is from Costa Rica.

A mammal's coat protects it from cold and heat.

▲ This gray fox is from South America.

Some mammals have a lot of hair.

▲ This alpaca from Chile has a lot of hair.

Some mammals have short hair.

▲ This breed of dog is from Mexico.
