facts and
details about
the topic.

Water is very important to everyone.
We need water for many things.

We need water to drink.

We need water to bathe.

We use water to cook.

We use water to clean.

We use water to swim.

We use water to have fun!

Water is everywhere. Our world is covered with water.

Can you imagine our world
without water?

People need water to live.

Farms and crops need water, too.
