| **high** | **waves** |

### Phonics

- Words with **th** digraphs (that, the, they, things, this, throat, through)

### Comprehension

- Identify main idea and supporting details
- Make connections

# How to Read This Book with Children

1. Read the title of the book aloud.
   Ask: *What do you think this book will be about?*
2. Talk about the pictures on each page.
3. Ask children to point to one or two words they know.
4. Read the first page to children.
   Encourage them to read along.
5. Ask children to read the rest of the book aloud.
6. Support children if they have trouble reading a word by using some of these prompts:
   - *What can you do to help yourself?*
   - *Say the word slowly. What sounds can you hear?*
   - *Look at the picture. What is happening?*
   - *Does that word sound right? Try reading the word again.*
7. Reread the book aloud together and talk about it.
8. Build language and comprehension by using the ideas at the back of the book.

Sounds are all around us.
People can hear some sounds.

For Preview Only

What are some sounds that people can hear?

People hear sounds in many places.

For Review Only

People hear sounds in the city. People walking and talking make sounds.

For Review Only

Car doors make sounds when they open and close. Horns and sirens make sounds, too.

For Review Only

What sounds can you hear in the city?

People can hear many sounds in the country. Sounds can be loud. A tractor makes a loud sound.

For Review Only

Sounds can be soft, too. A cat makes a soft sound when it is happy.

For Review Only

A sound can be loud or soft.
