Phonics

- Words with variant vowel **/o͞o/** (loop, school)

Comprehension

- Identify cause and effect
- Make connections

How to Read This Book with Children

1. Read the title of the book aloud.
   Ask: *What do you think this book will be about?*
2. Talk about the pictures on each page.
3. Ask children to point to one or two words they know.
4. Read the first page to children.
   Encourage them to read along.
5. Ask children to read the rest of the book aloud.
6. Support children if they have trouble reading a word by using some of these prompts:
   - *What can you do to help yourself?*
   - *Say the word slowly. What sounds can you hear?*
   - *Look at the picture. What is happening?*
   - *Does that word sound right? Try reading the word again.*
7. Reread the book aloud together and talk about it.
8. Build language and comprehension by using the ideas at the back of the book.

What Can You See on a Map?

A map is a drawing of an area. This map shows streets and buildings in our city.

The map also shows places to visit. We use a map to get from one place to another.

How Will We Get to the Zoo?

The zoo is north and west of our school. Our teacher says that some streets are closed.

For Review Only

The bus driver says some streets are one way. We will have to go north, south, east, and west.
