I love my book.

It is about a **silly** dog.

Everything **surprises** him!

Seeing a dog in the water surprises him.

He lets his **bone** fall in the water!

What a silly dog!

I would not do that.
I am not silly like that dog in my
book!

No, I am not a silly dog.
I am a **hungry** dog!
Reading time is over.
Now it is time to eat.
