Caring for Your Turtle

Written by Vijaya Bodach

Free Download

Turtles are fun to watch.
They move slowly on land.
They swim fast in water.

For Review Only

Your turtle can live in a tank.
It must have water and land.
Fill the bottom with small rocks.

Add warm water.
Make sure it is deep.
Turtles like to swim.

Turtles also like to sit on land.
Add a big rock in the tank.
Part of the rock
must be above water.

These turtles are warming their bodies.

Turtles like to be warm.
Shine a heat **lamp**.

Turtles like to **climb**.
Add a tree **branch**.
