We need food to live.
We eat three times a day.
We eat breakfast, lunch, and dinner.

We love **pancakes** for breakfast!
Let's make them!

We eat only clean food.
So we wash our hands before we
start.

What do we need for making
pancakes?

We need cooking **tools** and
ingredients!

Here are some tools for cooking.
Can you find any of the tools we
need in this picture?

Here are some cooking ingredients.
Let's pick what we need.
Great job!
