SPACE VOYAGER

PLUTO AND THE DWARF PLANETS

Bullfrog Books

Ideas for Parents and Teachers

Bullfrog Books let children practice reading informational text at the earliest reading levels. Repetition, familiar words, and photo labels support early readers.

Before Reading

- Discuss the cover photo. What does it tell them?
- Look at the picture glossary together. Read and discuss the words.

Read the Book

- "Walk" through the book and look at the photos. Let the child ask questions. Point out the photo labels.
- Read the book to the child, or have him or her read independently.

After Reading

- Prompt the child to think more. Ask: What are your favorite facts about Pluto and the dwarf planets?

Small and Far Away

Pluto was once called a planet.

Not now.

For Review Only

Today it is a dwarf planet.

For Review Only

Dwarf planets are small.
They orbit the sun.
Rocks orbit with them.
