Nora's Day with Dr. Ali

Today, Nora has a checkup with her pediatrician.

Dr. Ali checks Nora's eyes.

"Do doctors do checkups all day?"
Nora asks.

“I also help children when they are sick,” Dr. Ali says.

She uses a stethoscope to listen to Nora’s heart and lungs.

“Oh, yeah,” Nora says.

“You gave me medicine when I had a cough.”

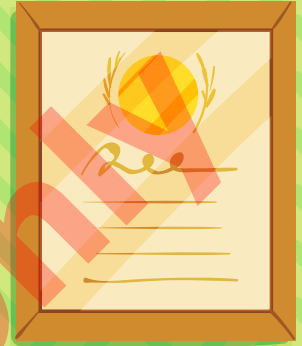

“That’s right,” Dr. Ali says.

“Earlier, I helped a boy
who fell off his bike.
I stitched a cut on his
arm. Now, sit still.”

Dr. Ali checks
Nora’s reflexes.

Nora’s leg jerks up.

“Weird!” says Nora.

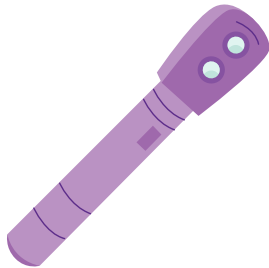

Quiz Time!

What does Dr. Ali do during the checkup to see if Nora is healthy?

- A. gives her a shot
- B. fills out paperwork
- C. checks her heart and lungs with a stethoscope
- D. gives her medicine
