ALL ABOUT RESPECT

The world is full of many different people.
They may be big or small, old or young.
But they all matter.

How can we let others know they are important? We can have respect! Being **respectful** means showing we **value** others.

DIFFERENT IS GOOD!

When we respect others, we let them be who they are. Our differences are what make us all **special**. They make everything more **exciting**.

Think about your best friend. How are the two of you the same? How are you different?

I am a little bit of both!

THINK ABOUT OTHERS

Respect starts by thinking of others. We try to give them what they want and need. What does respect look like?

Treating others how we want to be treated shows we are thinking of their feelings.

We are respectful when
we include everyone.

Being **polite** and having good
manners shows respect.
