Space Cadets to the Rescue

For Review Only

Paul Harrison and Sue Mason

The two young space cadets, Eddie and Yelena, sat in the control room of the space ship. They were learning to be space rangers and were patrolling the universe, protecting Earth from attack. However, there was a problem. Eddie and Yelena were bored. "Nothing ever happens," said Yelena, yawning.

Suddenly the loud speakers interrupted.

"Alert! Alert! Alien invasion!"

"Where do you think you two are going?"

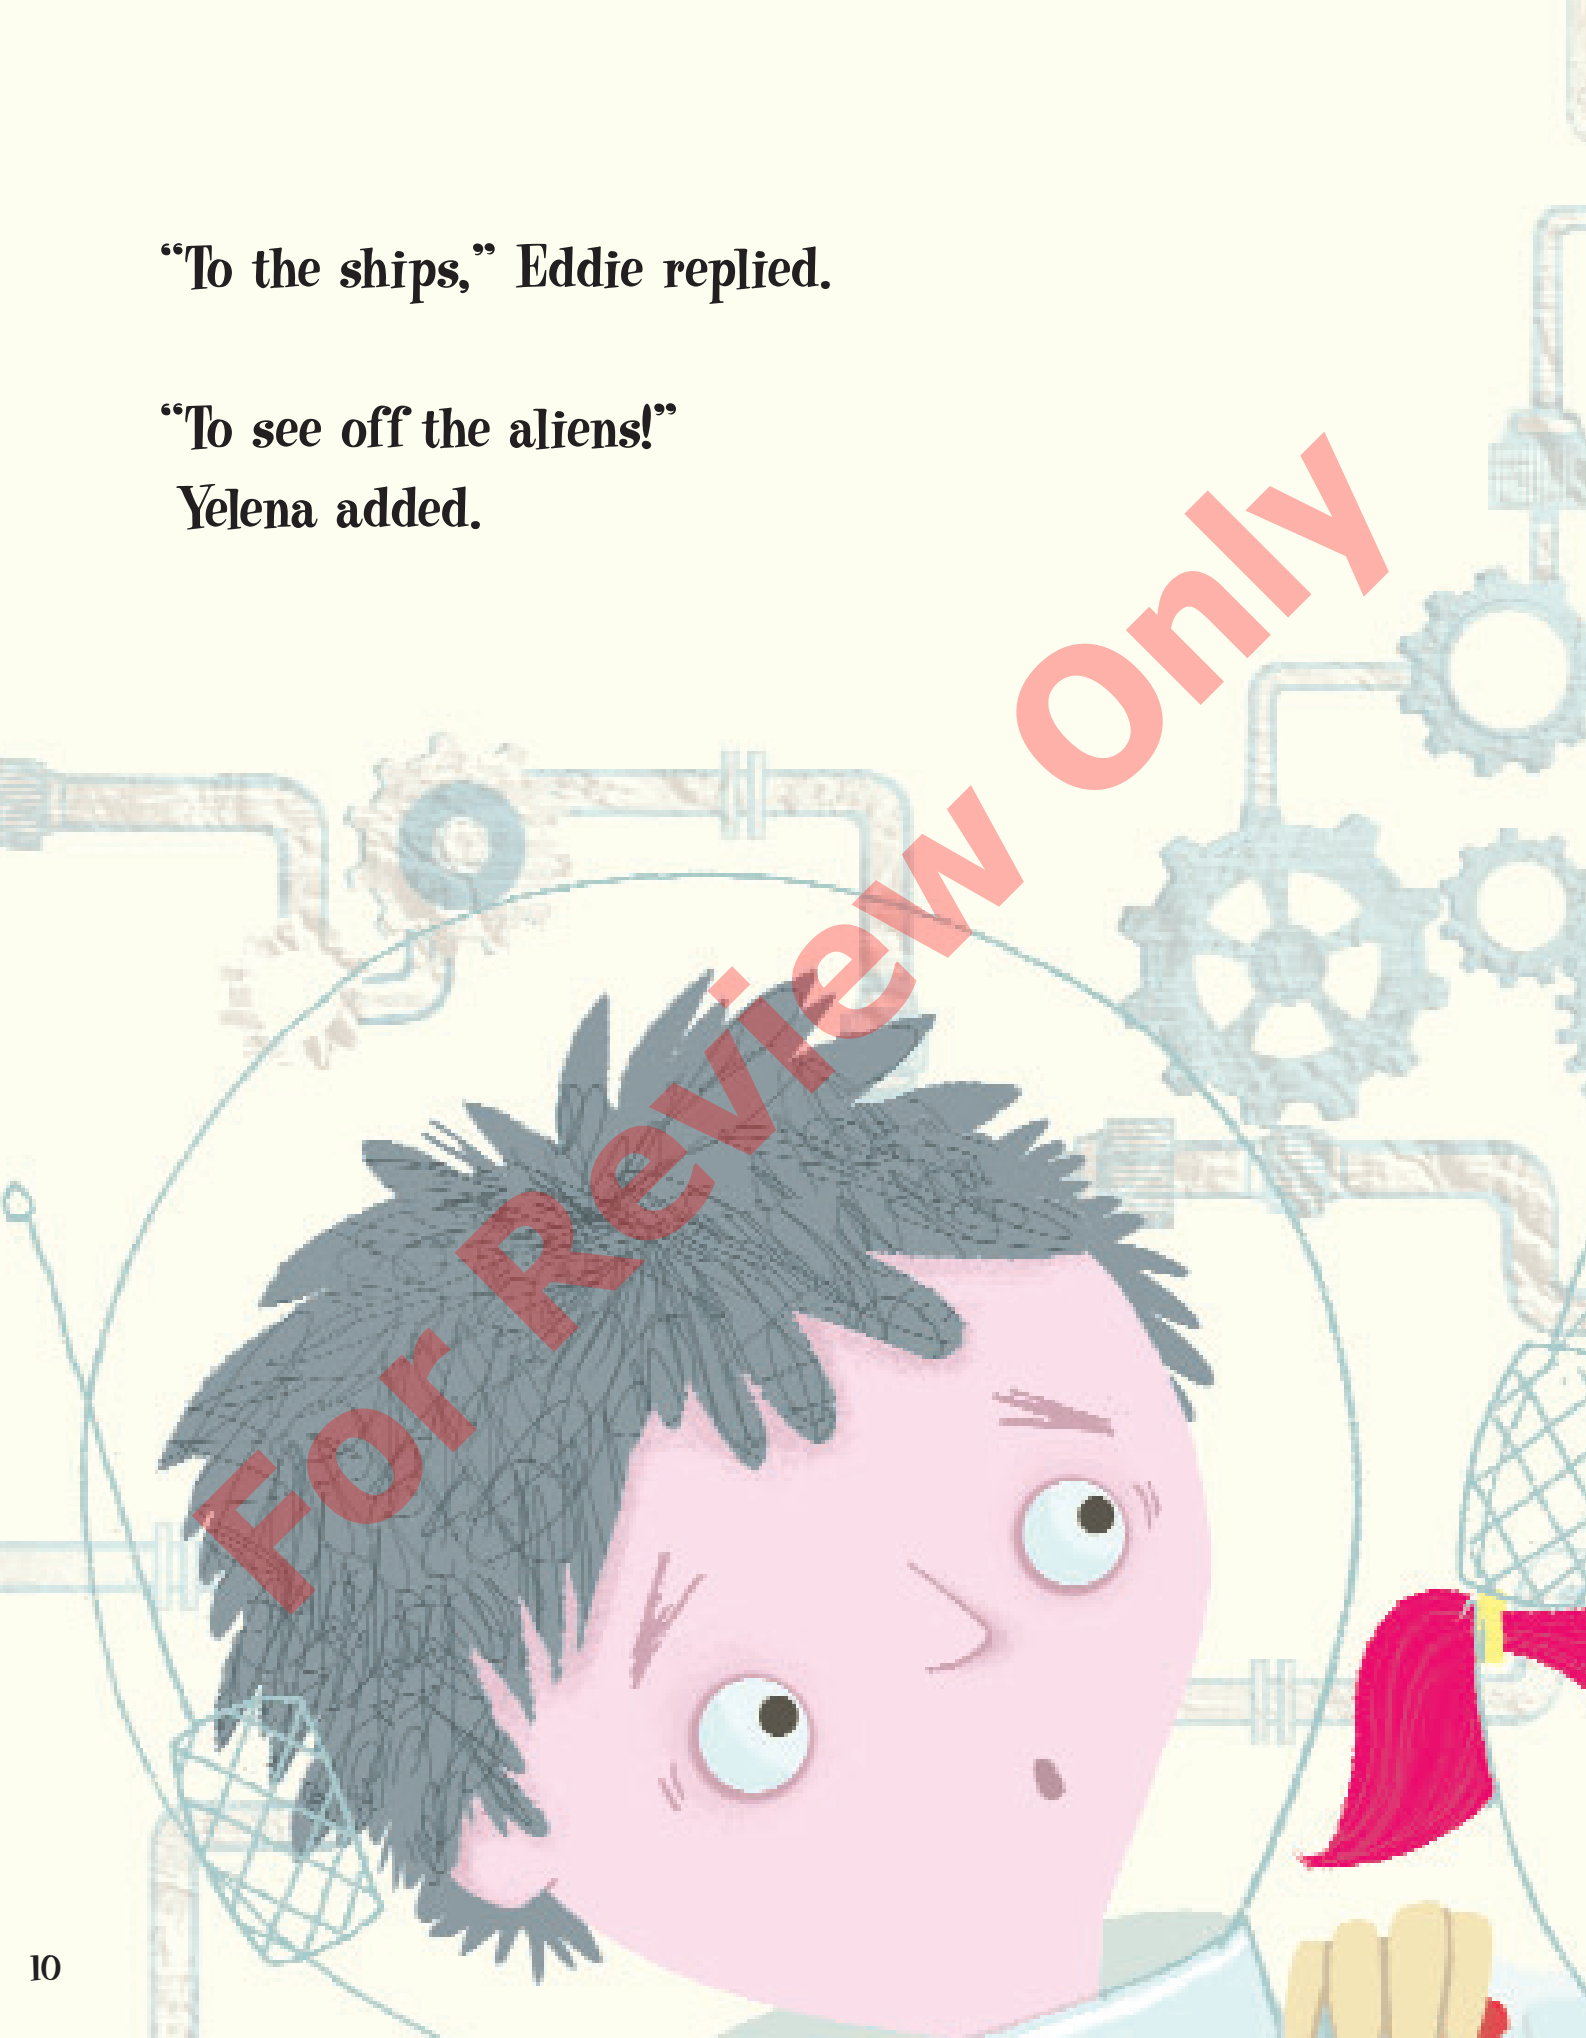

The Commander's voice stopped the cadets in their tracks.

"To the ships," Eddie replied.

"To see off the aliens!"
Yelena added.

For Review Only

"Negative - this is no job for cadets.
Stay here and guard the patrol ship."
