George and the Dragonfly

SWIFTS

Andy Blackford
and Sue Mason

George watched a film about lizards and snakes, and creatures that slither in rivers and lakes.

His mum shook her head.

"Most certainly not! You wanted a hamster and that's what you've got. It's me who looks after him, gives him his tea...

If you had a python, it's not hard
to see who'd have to feed him –
Daddy and me!"
